VISION REPORT

CROSS
POINT

HEAR FROM OUR PASTOR

Dear CrossPoint,

Our mission as a church family is to be a **community helping people trust and fully follow Jesus**. This is our core direction, and we believe it is the foundation of being a disciple-making church. We accomplish this vision as we pursue the **presence** of God through an ever-deepening relationship with Jesus, allowing him to **transform** us from the inside out so that, as we become more like him, we join his **mission** of helping others trust, believe, and live out the gospel.

In this past ministry year, our vision, sustained by our values, motivated the massive spiritual growth and the initiatives we accomplished together. As a church family, we have walked with **96 adults, students, and kids who have stepped into the waters of baptism this past year**, declaring their faith and trust in Jesus. We know of **35 people who confessed faith in Jesus** for the first time. **Those are huge reasons to pause and celebrate!** Along the way this year, we were invited and challenged to grow in some tough areas of discipleship together, and we saw significant spiritual fruit in many people that comes from faithfulness to teach and practice God's Word in community.

We have seen **185 new unique donors** step into generosity to fuel the ministry here at CrossPoint. We also launched our **Residency Program** with our first resident to train for vocational ministry, and we sent **dozens of people on exposure trips** around the globe.

These are just a few of the miraculous works of Jesus we witnessed this past year. I cannot believe we get to be part of this move of God, and **we especially celebrate all the salvations and baptisms!**

**GOD DESERVES ALL THE GLORY FOR THE GREAT WORK HE
HAS DONE AT CROSSPOINT, AND YOU ARE PART OF THE CHURCH
FAMILY HE IS CONTINUING TO BUILD HERE!**

This report contains stories and information as a gift of praise to Jesus for what he is doing in and through our church family. We are seeing this guarantee come to fruition: **following Jesus will change your life.**

God has more for us as a church family as we press in, stay faithful, and follow the leading of the Holy Spirit!

For King Jesus,
Andrew Wilson, Lead Pastor

CORE VALUE

PRESENCE

CrossPoint is a community helping people trust and fully follow Jesus, and we're committed to cultivating spaces where we can encounter the presence of God and experience true life through our apprenticeship to Jesus.

It's easy to think about encountering Jesus on Sunday mornings, and it's true that our weekend gatherings are moments when we can pursue God's presence, express love and worship through singing together and serving others, and consider the life-changing truths of Scripture.

But that's not our only opportunity to follow Jesus and spend time with him. This past year, **428 people** engaged in CrossPoint Communities, another vital setting for those experiences. These are spaces where we encounter Jesus through authentic relationships, honest conversations, and engagement with God's Word, the Spirit, and other people.

"Everyone is so grateful for our community," said Gary, one of our CrossPoint Community facilitators. "It's a place to process and practice what we learn about!"

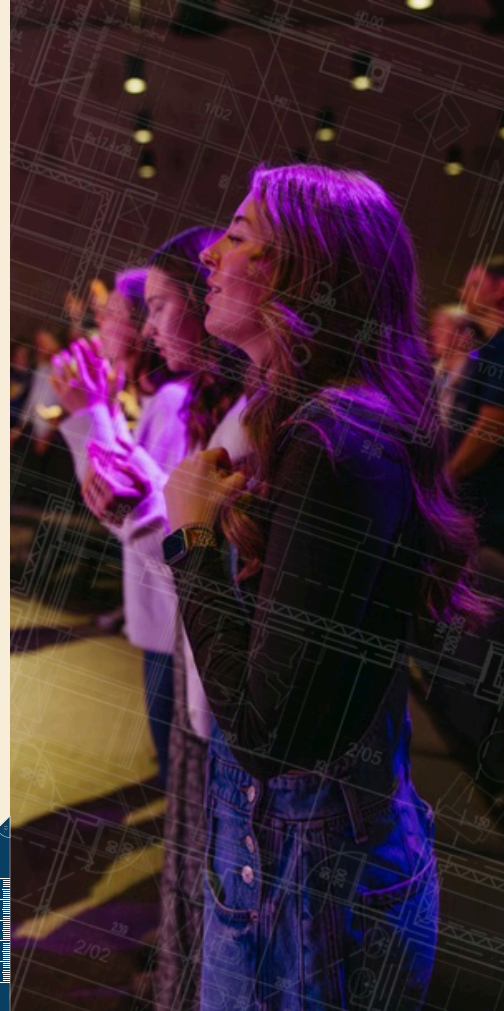

"A GAL IN OUR COMMUNITY DOESN'T NORMALLY SHARE, BUT SHE HAS BEEN GROWING IN THIS. WE INVITED HER TO PRAY OUT LOUD IN HER NATIVE LANGUAGE AND IT WAS POWERFUL," FACILITATORS RANDY AND JACKIE TOLD US.

Kaitlyn, another facilitator, talked about the growth in her community. **"Several have grown in trust, another professed faith in Jesus and got baptized, and another reached out to us for further mentoring outside of community."**

We saw 76 young adults engage in our smaller, monthly gatherings this year as they explored some of the topics influencing and impacting our culture and the world.

Sierra, a leader on the young adult team shared, "So many people mentioned that they are seeking what God has planned for them in their lives and what their spiritual gifts are and how to use them."

And we are committed to be people of prayer, experiencing the presence of God alone and in community. Once again we offered four sessions of 24/7 Prayer over the course of the year, with 755 of you participating, for more than 530 hours of prayer. Such powerful times!

CORE VALUE

TRANSFORMATION

Jesus is in the business of changing lives, and we have the honor of being part of that process as people experience transformation and renewal. CrossPoint seeks to be a people committed to God's work.

Of the **23 adults** that we know who decided to trust and fully follow Jesus, **our New Believer Mentor ministry had the privilege of walking alongside six of them.** Through this ministry, members of our church commit to spending at least three months investing in these new believers: praying with them, encouraging them, and walking through the *You Said Yes* booklet together. So incredible!

"This New Believer Mentorship was such a blessing," said Travis, one of our mentors. **"I saw God move in my mentee as he began to rest in Christ's unconditional love for him."**

Kathy witnessed similar transformation in the life of the mentee she walked with: "From the lessons in the *You Said Yes* booklet, to joining a Bible study with friends, attending Girls Night Out, and being baptized at Easter, she's pursuing growth from every direction."

We also hear these stories of transformation every time we finish a session of Rooted, when people share their cardboard testimonies of what God's done in their lives. Prior to Rooted, Sasha described herself this way: "Fear of being judged and not accepted; tried to do life alone." And after? **"My Rooted community has renewed my faith and trust in God's plan."**

TOBY WAS "SUSPICIOUS OF COMMUNITY." BUT AFTER ROOTED, HE'S BECOME "OPEN TO REAL CONNECTION."

And we've watched God do big things in the lives of kids and teens this past year, especially in settings like Xtreme Week Camp, MOVE Camp, and Summer Breeze. We loved the story of a middle school student who struggled for the first few days of Summer Breeze, but on the third night, he began paying attention to what God was doing. He found NextGen Pastor Nate Hercula and said, **"I think I'm ready to follow Jesus."** They discussed what that means, and the student decided **he was ready to confess faith in Jesus.**

"I got to pray with him, and then he rang the camp bell to indicate to everyone who could hear it that he had made this decision," Nate said. "His mom has told us that since camp, he is a different kid for the better."

CORE VALUE

MISSION

Maybe you've heard us say something like this before:
"It takes all of us to get all of Jesus to all of the world."

Living on mission doesn't require going on an international exposure trip (though we highly recommend doing one). It doesn't require moving to another country to tell people about Jesus (though we love being able to support our international workers who've taken that faith-filled leap).

It's about a daily awareness of how our lives intersect with the lives of other people here in our region, in our valley, in our neighborhoods. **It's about faithfully living out the calling to serve Jesus wherever, whenever, however, to whomever.**

Locally, we live that out through our partnerships with several ministries making an impact for Jesus here in our community. And we live on mission through our Love the Valley projects.

Tanya and her group wanted to help a local man paralyzed in a diving accident. He'd begun working on getting a driver's license to operate a handicap-accessible vehicle, and Tanya's group helped at the fundraising event to help him pay for a van. "The event was no less than amazing and **the outcome—such a gift from God,**" Tanya told us.

Globally, we engage with our international workers and our ministry partners overseas through ongoing financial support and exposure trips, including one to Indonesia this summer.

“In my discomfort and uncertainty, **the Lord grew my confidence in sharing my story and being bold in prayer,**” said Liza, who was part of that exposure trip. “He tangibly proved to me that prayer does work, that he does listen to our requests, and that he can do miracles even with the smallest seeds planted from my seemingly plain testimony.”

“SERVING IN INDONESIA TAUGHT ME ABOUT THE BEAUTY OF BEING SERVED WHILE SERVING,” LIZA SAID.

And living on mission can look as simple as the faithfulness of a teenager who truly engaged during Middle School Academy when talking about the importance of telling others about Jesus.

“Desiree, look!” the student said to our middle school resident. “I keep this in my Bible! Since middle school academy has ended, I have talked to so many people about God.”

What was the student pointing to? **A simple list of spiritual conversation starters.**

DISCIPLESHIP PRIORITIES

Vision keeps us focused as a church family. Vision pulls us toward God-sized goals, according to God's will. Vision compels us to take faith-filled risks.

And our Discipleship Priorities help to guide us along that journey.

LIFE AS PRAYER

We are a people who practice prayer as a lifestyle, both individually and corporately.

GUIDED BY THE SCRIPTURES

We order our lives from the truth in God's Word, teaching and building up the body of Christ with God-given wisdom.

EMPOWERED BY THE HOLY SPIRIT

God's Spirit redeems, sanctifies, and heals the whole person, empowering his people for effective gospel ministry in the world.

RELATIONAL LIVING

We are made for relationships and experience transformation through the context of community in the family God is building as we gather in formative environments and engage in spiritual practices and the sacraments of baptism and communion.

SACRIFICIAL GENEROSITY

Since God is the abundant owner of all things, we live as generous stewards to reflect the goodness of God.

COMMITTED SERVICE

We serve one another, our neighbors, and the nations because we see ourselves as Jesus saw himself, a servant of all.

DRIVEN IN MISSION

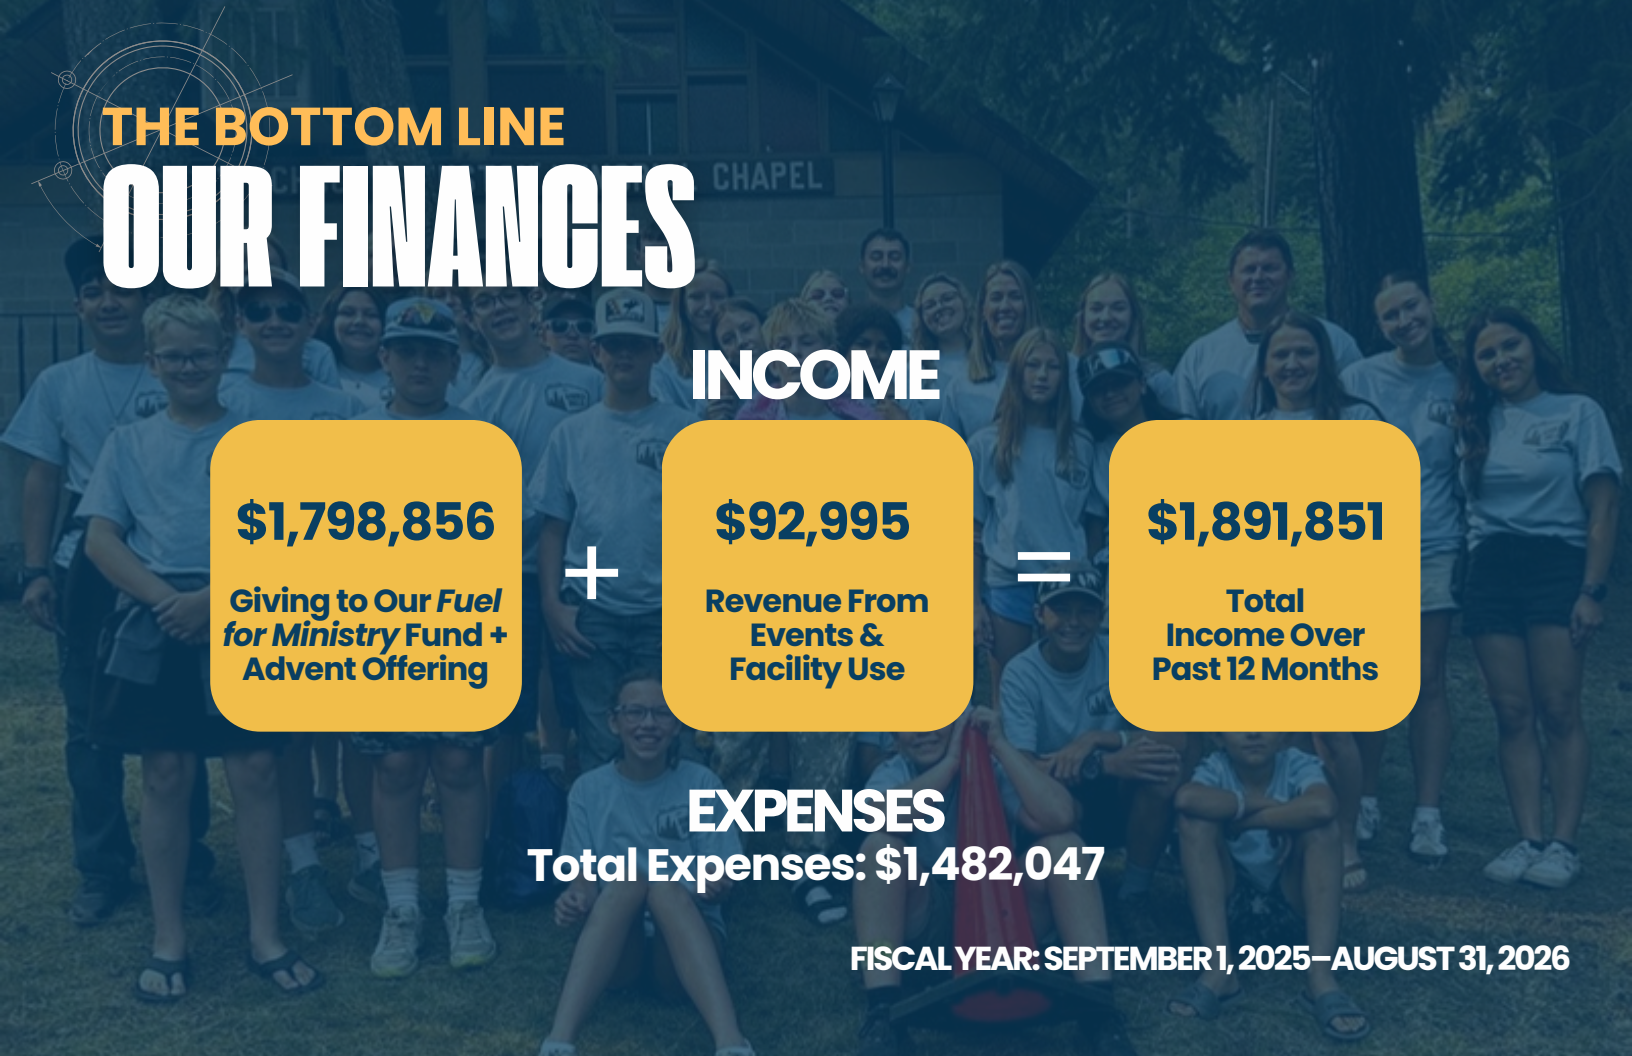

With boldness and confidence through the power of the Holy Spirit, we join God's work of renewal by living as witnesses of the gospel through love and acts of justice, sharing and demonstrating the saving grace of Jesus as we make disciples.

INTENTIONAL MULTIPLICATION

As we apprentice to Jesus, we make disciples who build the kingdom of God through developing and sending leaders throughout our church family and beyond while investing in future church multiplication in our region and in the nations.

**"GO AND MAKE DISCIPLES OF ALL NATIONS."
(Jesus, in Matthew 28v19)**

THE BLUEPRINT

OUR VISION

As we live into CrossPoint's vision for 2030, we believe God is calling us to grow **deeper** in discipleship, **wider** in mission, and **stronger** in the people and environments that support ministry. This year, we will focus on helping more people take meaningful steps in trusting and following Jesus while preparing CrossPoint to **faithfully serve our valley, our region, and future generations.**

LOOKING AHEAD OUR PLANS

We aim to continue clarifying our discipleship pathway through Starting Point, Deep Dive, Active Membership, Rooted, and CrossPoint Communities, and by helping people use their gifts through growing our serve teams and engaging in exposure trips.

We aim to cultivate a deeper life with Jesus through prayer, worship, Scripture, and the Holy Spirit through our Sunday gatherings, CrossPoint Communities, and other ministry events.

We aim to develop and multiply spiritually mature leaders through Residency and LeadWell (a church-wide leader development pipeline) who will invest in others in the church and in the wider community.

We aim to establish a unified gospel-centered Wellness Ministry, along with the construction of gathering spaces so people can be known, supported, restored, and helped toward wholeness in the Healer and Savior, Jesus Christ.

We aim to multiply CrossPoint's capacity and reach through faithful stewardship of resources and strategic partnerships in and around our region, while preparing for future expansion.

REASONS TO CELEBRATE!

96 PEOPLE WHO GOT BAPTIZED

35 PEOPLE PLACED FAITH IN JESUS FOR FIRST TIME

178 KIDS AND STUDENTS AT XTREME WEEK, MOVE CAMP, AND SUMMER BREEZE

107 PEOPLE IN STARTING POINT
