No Other Name | The Resurrection and the Life

DINNER & DELIGHT 45 minutes

- During dinner, share a highlight from Easter weekend.

LEARN & STUDY 20 minutes

Read together: *John 11v25-26 (read John 11v1-44 for full context)*

- Why do you think Jesus delays going to Lazarus (v5-6)? What does this reveal about Jesus' timing and purposes?
- What was Jesus' response in v35? What is the significance of his emotion?
- What "I AM" statement does Jesus make in this passage? What present and future promises come from this reality of who Jesus is?

PRACTICE & IMPLEMENT 40 minutes

RIGHT NOW:

- Where has "death" left its mark on your life right now?
- How have you been responding to that place of death—avoiding it, managing it, or bringing it to Jesus?
- Andrew articulated the take home truth as, **everywhere death has left its mark, Jesus brings his life**. How do you need to experience this truth?

THIS WEEK:

- Ask Jesus to bring life where death has left its mark in your life.
- Share with a friend what you're experiencing.

REFLECT & PRAY 15 minutes

Pair up and pray

- What is one takeaway from your time in community today?

 **NEXT WEEK:** *Genesis 1v26-31*
