

A Teen's Cry for Connection:

“I Just Need
Someone to Talk To”

A Week of Silence:

*Elderly Woman Goes Seven
Days Without a Visitor*

Falling Through the Cracks:

When a Family Can't Afford
the Help a Child Needs

A New Country,
No Support:

One Family's Search for
a Way Forward

When Love Grows
Quiet:

A Marriage on the
Brink

Walking Away From Church:

One Young Adult's
Painful Break With Faith

She Escaped Her
Abuser—
Now She Has Nothing.
What's Next?

Tonight, Their Car
Is the Only Roof
They Have.

I May Be Disabled,
But I Never Wanted
to Be Invisible

They Live Here Too:

A Neighborhood
Struggling With Racism

She's Being Exploited
in Plain Sight—
and No One Sees It

Disappearing Act:

Dirtier Air, Fewer
Trees, Less Wildlife in
Our Children's
Future

Chained for Life:

A Dog Forgotten and
Left Without Love

Her Silent Descent
into Hopelessness:

Torn Apart by
Depression and Anxiety
