

Photography & Video Opt-Out Form

Our church regularly takes photographs and videos during worship services, ministries, classes, and special events to celebrate our church and share what God is doing here at Stillwater Christian Church. These images may be used on our website, printed material, social media or other church communications.

If you do not wish to be photographed or recorded, please complete this form and return it to us. If no form is submitted, we will assume you have no objection to you or your minor child(ren) being photographed or recorded during church services, ministries, classes, activities or special events.

As a church we will make every reasonable effort to honor your request, however, we cannot guarantee that your image will not appear accidentally in wide-angle or crowd photographs and videos taken during public church gatherings.

I request that the church not photograph or use images or recordings of:

Name: _____

Minor Child(ren) (if applicable): _____
