

OUR 31-WEEK JOURNEY TOGETHER

SUNDAY SERVICES

It is suggested that you to read each chapter the thursday-Saturday as a family prior to each weeks message.

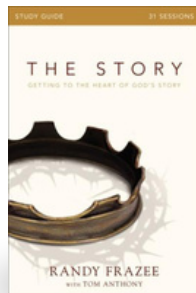

(Ex. Read Chapter 1 of The Story September 3rd-5th, Chapter 2 September 10th-12th, etc.)

Each Sunday, our sermons will continue the journey through The Story. We'll explore the people, events, promises, failures, victories, and faithfulness woven throughout God's story.

Whenever possible, we encourage families to attend a Sunday Worship Service together

WHAT IS THE STORY?

The Bible is more than a collection of individual stories. It is one great, unfolding story - the story of God and His people.

The Story brings together carefully selected passages of Scripture in chronological order, allowing us to experience the Bible as one continuous narrative from Genesis to Revelation.

Over 31 weeks, we will journey together through creation, promise, redemption, the life of Jesus, the birth of the Church, and the hope of God's ultimate restoration.

GOD'S STORY
IS THE STORY BEHIND
EVERY STORY.

Everyone will experience The Story in an age-appropriate way, but we'll all be moving through the same story together.
