This year during Chapel, our children will be learning about our "BEEhaviors"- Biblical character traits that help us become more like Jesus every day. Through Bible stories, songs, prayers, and hands-on activities, we will focus on being humble, caring, gentle, obedient, kind, good, peaceful, and faithful. These Christ-centered values will be reinforced throughout the school day as we encourage children to show love, kindness, respect, and compassion to others. We invite you to partner with us by talking about these "BEEhaviors" at home and celebrating when you see your child demonstrating these wonderful qualities. Together, we can help our children build a strong foundation of faith and character.
