October 2026 Edition

Jesus Said "Let the little children come to me..." - Matthew 19:14

Chapel Time

There is something so special about watching little hearts learn, grow, and discover the love of God.

Our chapel time is more than just another part of our week—it is an opportunity to begin building a foundation of faith in the hearts and minds of our children. Through simple Bible stories, songs, prayer, worship, and age-appropriate lessons, we are teaching our children that God loves them, hears their prayers, and is always with them.

We believe the preschool years are such an important time to plant those seeds of faith.

While we may not see the full impact of those seeds today, we pray that they will grow throughout their lives and become a strong foundation they can carry with them wherever they go.

Our hope is that every child who walks through our doors knows they are loved, valued, created by God, and never alone.

What a privilege it is to partner with our families in not only preparing children for kindergarten, but also helping prepare their hearts for a lifetime of faith.

HOW TO LOVE GOD – OBEY HIM
There is no other God but Him.
Do not worship any other gods.
Use God's name with respect.
Rest on the Lord's Day.

October is such a fun and exciting month at Community Church Preschool! As we enjoy cooler weather, fall activities, pumpkins, and all the fun that comes with this special season, we are reminded of how thankful we are for our preschool families.

As Halloween approaches, we want to remind everyone to make safety a priority while trick-or-treating. Please make sure children are accompanied by a trusted adult, stay in well-lit areas, use sidewalks when possible, and look both ways before crossing the street. Choose costumes that are comfortable and allow children to see and move easily, and be sure to check all candy before allowing children to eat it. Most importantly, have fun making special memories together!

At preschool, we will continue learning, growing, and building friendships while practicing kindness, patience, and love for one another. October is a wonderful opportunity to remind our children that even in the midst of all the excitement, we can let God's light shine through our words, actions, and kindness towards others.

THANK YOU!

Fall
is in the
air
