Letter From the Director

Dear Families,

What a wonderful start to a new school year! Our classrooms are already filled with little voices, joyful hearts, and so much excitement as our students learn, grow, and build new friendships.

As we move into September, we are focusing not only on important preschool skills such as letters, numbers, colors, shapes, early writing, and social development, but also on helping our children grow in Faith. We want every child to know that they are wonderfully made by God and deeply loved by him.

This month, we will continue learning how to be humble and be caring through our Chapel program, learning about the **Beeattitudes!** We will model behaviors that help children learn to care for others, including our service learning project for Alaqua Animal Refuge. Through all of these acts, we are planting seeds of Faith that we pray will grow throughout each child's life.

Thank you to our wonderful families for trusting us with your precious children. We are blessed to partner with you as we nurture their minds, hearts, and spirits. We look forward to all that God has in store for our preschool family this September!

Happy Labor Day
