

Friends of Bella

Early Spring 2023

confident hope in God's love in the face of difficulty

Time to schedule Bottles for Bella at your church.

See enclosed flyer or Bella's website at www.bellamedicalclinic.org/events/bottlesforbella for more information.

Need for Car Seats

Car seats are not a luxury—they are the law.

Car seats are expensive—and buying them second hand is not an option.

Bella Medical provides free education and resources to empower expectant parents and parents in their parenting journey.

Through the Infant Car Seat Program and Toddler Car Seat Program, parents go through a variety of parenting educational and mentoring sessions and earn credit toward a new car seat upon completion of the program.

Please consider donating to this program so that all our precious cargo rides safely.

A donation of \$200.00 can be designated toward the purchase of an infant or toddler car seat.

Save the Date: Gifts of Grace annual Fundraising Banquet

You are Invited!!!!

Thursday, June 8, 2023 6:00PM
at LaSure's Banquet Hall

This event brings together friends of Bella for an evening of celebrating life and supporting the ministry of Bella Medical Clinic. The evening includes a social hour, dinner, speakers and an opportunity to learn more about Bella.

Michael and Tallulah Caulfield will share their story of redemption and grace. They are active pro-lifers, encouraging others to become active and vocal in supporting the pro-life movement.

Table Host reservations are now open.

Make reservations now at
920 231-6006 or
bethn@bellamedclinic.org

Gifts of Grace—Spirit of Hope

For more information see Bella's website—

www.bellamedicalclinic.org/events/giftsofgrace

If you are unable to attend Bella's event on June 8, the Caulfields will also be sharing their story at Vida Medical and Support Services Clinic Banquet on April 18th.

Meet Bella's Spring Semester Student Intern

Bella partners with the University of Oshkosh by providing an internship opportunity through its Human Services Department. Brittne Westphal is a senior and will be graduating in May 2023. She interns 20 hours a week and is currently working on enhancing our services to our non-English-speaking clients.

Firsts!

Brightcourse Curriculum

At Bella we have the privilege of celebrating many “firsts.” This may include a first ultrasound, first baby

picture, or first birthday. Our parenting curriculum called Brightcourse gives us the ability to

work with expectant and new parents until the age of two.

Brightcourse is funded through our donors on a monthly basis. Please contact Bella if you would like to support this necessary program so we can continue walking alongside our parents' journey.

Baby and Me class: Baby CPR

In February Malissa Perkins and Danielle Schmank, both RNs from Gabriel's Villa in Oshkosh, taught baby CPR and safety to our baby and me group. Baby and Me is a weekly group offered at Bella Medical Clinic. The class takes place on Wednesdays from 10:30 AM–NOON.

Anyone who has a baby aged newborn to 12 months is welcome to attend. Please call/text Bella Medical Clinic at (920) 231-6006 for more information.
