

COUNTING ON YOU

Looking for a service job? Stewardship & Finance is recruiting people to help count and record weekly tithes and contributions. You are not required to be a member of Stewardship & Finance Commission. Counting is done on Sunday mornings and takes between 30 and 60 minutes. We currently have seven counters but would like a few more. Counters work as a team of two, so having eight to ten would mean you would work once every four or five weeks. If interested, please contact the church office.

FOUNDATION REMINDER

On behalf of the Foundation, we ask that when doing your estate planning please remember Grace Community Church.

Many of us members of Grace Community Church easily qualify as seniors. (Maybe most of us!) As such, we are mostly retired. We have financial worth and value, but we are cash poor! We simply need the cash we have, so to get on with what life we have. What we are asking of you is this: when you no longer need the wealth you have, please consider donating to the foundation.

Thank you for your continued generosity and service. God's blessings to all.

-Tom Burke, Church Treasurer and Foundation Secretary

Pastor's Corner

The Band is Together

Did you ever see the Blues Brothers movie? Most people in Boulder city are familiar with the statue of Joliet Jake and Elwood Blues from the House of Antiques store downtown. In the movie we discover that they are on a mission from God and so as a result they are getting the band back together. Well, as a church, we are certainly on a mission from God and I am pleased to say that Staff Parish has worked hard to "Get the Band Together." We now have a wonderful team of leaders to pursue God's mission for us. But lest you think it is just about the paid employees you could not be further from the truth.

While it is the responsibility of the staff to program our church schedule (along with our Commissions), it is the church membership and attenders that are what make the church thrive and grow. This fall we have a schedule packed with something for everyone. Our new Men's Breakfast kicks off at 8:30AM on the 29th, the Choir practice begins Thursday, September 3, at 11AM, we have a worship night planned for Saturday, September 19, at 6PM, our second annual Harvest Festival for families on Saturday, September 26, at 4PM and, of course, our Country Store happening on October 16 and 17. But there are even more exciting things in store.

Pastor Seth, Napoleon, and I went away for a vision trip up to Mount Charleston, meeting at the Baptist church. While we were there (I guess a little closer to the Lord) our minds were fertile with some exciting ideas to see the Lord's Kingdom advance in Boulder City. We would like to put together a prayer team to pray with people at the end of each service, we thought it would be wonderful for Maria to offer a harp concert for us and she has agreed, we are even playing around with the idea of starting a youth choir and we anticipate a special evening of Christmas worship with a variety of musical components. The Lord has also raised up someone passionate about having a new women's Bible study and we hope to see that start soon.

In the midst of our discussion we also broached the idea of having a Saturday evening service at 6PM in our chapel. The purpose of this service would be to provide another worship opportunity for those who cannot attend Sunday morning, maybe in a little different style. Our plan is to try it for five weeks and see if it gets any traction.

It comes down to this. God has given us a great staff, wonderful volunteers, and some God sized dreams to step forward in faith to pursue. So where do you come in? We are asking everyone to be praying for our church and asking the Lord where you can roll up your sleeves and serve. Jesus is putting the band together because we are on a mission from God. Are you ready?

- Pastor Steve

We need people who are willing to volunteer time. You can volunteer for as long as you are available. We would like to see everyone there!

WOMEN'S ASSOCIATION

Upcoming Event - Change of Date

Please change the date to September 23, 2026, at 6PM in the dining room, for the Potluck dinner for everyone due to a conflict in Commission meeting dates. No Cost tickets will be issued Sundays, August 30, September 6, and September 13, in the first and second service from commission members, so we can obtain the number of people interested in participating.

Due to the recent health issue with serving green salads, WAC will provide drinks and rolls. We are asking for homemade soups, chili or main dishes, salads (just not lettuce) and desserts to be donated by those in attendance. So, think about what you would like to share with others. Please contact Edris or Sherry Malunat if you have any questions.

- Edris Valdez, Acting Chairman

DEACON'S COMMISSION

Hope everyone's enjoying their summer & dealing with the heat and humidity. New attendees have contributed cinnamon rolls a couple of Sundays for fellowship, along with a few items from the Pekareks and monetary contributions from several, who wish to remain anonymous. As stated before, anyone wanting to bring food for fellowship after the services, we appreciate you bringing enough for both fellowships. We've been averaging 35 after the first service, and 15 after the second service. Please contact Margie McCay at 702-526-11292 no later than Thursday, prior to the upcoming Sunday, or make arrangements in advance, this avoids too much food or duplications.

- Margie McCay

PROPERTY COMMISSION

The A/V upgrade crew working with the Property Commission continues making progress on the improvements to the electronic systems used during Sunday worship services. The new computers connected to the projector in the sanctuary and that generate the livestream broadcasts to YouTube are up and running. The networking system for the projector and live-stream has been upgraded for better reliability and the upload speed to our YouTube channel has been increased from 7Mbps to 37Mbps. A new remote control High Definition camera has been installed on the upper rear wall of the sanctuary. This will improve the picture quality and eliminate the need for the large tripod at the rear of the sanctuary for our remote viewers. Camera control (with picture-in-picture) has been configured so our YouTube stream to remote viewers can better view sermon notes and worship song lyrics that are visible to attendees in the sanctuary.

CHOIR PRACTICE

Take Choir instruction from a world class musician and vocalist. As a reminder, Polo toured world-wide with Natural 7 and Michael Buble. Choir practice will be starting on Thursday, September 3. Practices are every Thursday at 11AM in the Sanctuary. We are looking for anyone who would like to join. Choir is a great excuse to invite friends and family to church.

FROM OUR OFFICE MANAGER

Pastor Steve told me that some people might be interested in knowing more about me... so here I go... I was born and raised in Des Moines, Iowa. I was a lucky kid and lived in the same home my entire childhood, until I moved out to live on my own at the age of 21. I am one of six children, being number five and the youngest girl. I have four brothers and one sister who all live in Iowa, along with my mom, my dad, and stepmom. I am a very proud mom of my son Ian. He is a senior at Boulder City High School this year and plans to attend the University of Northwestern Ohio next year, with the goal of joining a NASCAR pit crew! He has been involved with a few different sports, but has stuck with marching band and throwing shot put and discus in Track. I love living here in Nevada, but I do miss my friends and family in Iowa. We moved here in 2019 to help my aunt who has dementia. For fun, I love swimming, reading, spending time with friends, comedy, hiking, movies, volunteering, and watching the Packers! I joined Grace Community Church in the spring of 2023. I love being involved in the church - from greeting, being on committees, and now working here. Thank you to everyone who has made me feel so welcome in my new job.
