NAVIGATING THE SEASONS OF LIFE AND MINISTRY

"Your eyes saw my unformed body; all the days ordained for me were written in Your book before one of them came to be." (Psalm 139:16 NIV)

God has a purpose for every season. In some seasons we are more productive, and in others we are planting or starting, pruning or growing, resting or preparing. It is wise to acknowledge there are seasons of life and ministry and to discern the season in which we are growing. The Holy Spirit helps us to navigate our seasons and the purpose God has for us in those seasons.

To accomplish our full potential, we need to trust that God knows what He is doing in our current season, even if we don't. Don't try to rush out of our season, but rather, let God work on our character, let Him bring us to an end of ourselves, let Him work out His timing before the next season begins! As the saying goes, "Grow through what you go through."
