

Village to Village

January 15, 2023

Fox Creek Christian Church,

We are excited about the New Year and once again we want to thank you for your support throughout the year. There are lots of decisions being made to continue with God's work in Haiti. Even though there have been many hardships during the past year we are continuing to do God's work.

Our Medical team has been unable to travel because of many reasons dealing with the conditions of safety. We hope things change for the better in the future and we will once again be able to travel and do medical mission trips.

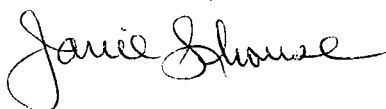

Because of your continued support we have been able to build walls around the schools to help with safety needs. Also, monies for food for the children and widows.

We would like to also Thank all the Churches for their continued support for the different mission in Village to Village. Yvrose Johnson continues to manage and run Dufially. She is helping so many children to get access to a good education. Your continued support enables her to provide for many of their needs. Please continue to pray for our missions for we are facing difficult times. A Special Thank You to all the churches that worked so hard to support Village to Village during 2022.

Once again, thank you for your generous support, and in remembering, Philippians 2:3 Do nothing from selfishness or empty conceit, but with humility of mind regard one another as more important than yourself.

Sincerely,

Janie Shouse, Treasurer
