Greetings and Happy New Year from the LIGHT Center Corporation (LCC)

The LIGHT Center has been blessed in 2022 due to your support. Since the government assistance is not available as it was, the LIGHT Center has served more clients than ever. The LCC is assisting with partial rent payments, electric, water, gas, propane fuel, gasoline, kerosene and other needs of clients such as medicine, emergency food vouchers and donated personal hygiene items.

The LCC has assisted approximately 308 households which equates to client financial assistance in the amount of \$53,622.63. It is amazing how the Lord has blessed the LCC through your giving. Enclosed is a report of donations received and expenditures for 2022. Only through the generous donations and God's help can the LCC continue to provide this kind of service.

We operate the LCC with volunteers and this past year we have had several volunteers to resign. If you know someone who might want to volunteer and be a part of serving their community, we would be happy to talk with them. If you would like more information about the LCC, please stop by the Center at 700 W. Broadway, Suite 3, or call us at (502) 859-0670.

May the Lord Bless You,

LIGHT Center Staff
