

“HE IS RISEN!”

“So, what?”

April 2026

Two millennia ago, Christ’s followers were stunned by this news on a Sunday morning. It was an event so epic it *“turned the world upside down.”* But as the Monday morning sun rises in 2026 and the routine of daily life resumes, we have to ask: *“So, what?”*

What does the truth of an ancient Resurrection do to impact a child at Shiloh in the 21st century?

At the Ranch, the “So, what?” is everything. Because of Jesus’ Resurrection, you are providing so much more than basic food and shelter. You provide a home, a family, and the tangible hope of their new life in Christ.

Transformation isn’t always suddenly discovering the empty tomb. It’s often the patient miracle of the butterfly described in 2 Corinthians 5:17. Step by step, He’s making all things new in the lives of Shiloh’s kids.

Their “metamorphic resurrection” is the promise that the cocoon of their past struggle is not the end of their story. Your prayerful partnership ensures that the resplendent hope of Resurrection Sunday doesn’t fade when Monday morning arrives.

So, what? It is up to you and me to show them that **“HE IS RISEN INDEED!”**
