Great Things Are Happening Around The Globe!

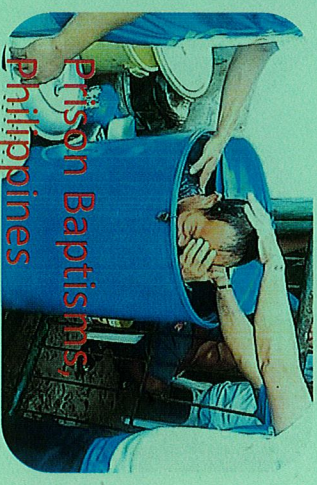

- In the Philippines, the new building for the Candelaria Church of Christ is completed in its new location after the landslides destroyed the old building.
- We have helped purchase Bibles for prison ministries in the Philippines. There have been 13 baptisms so far this year.
- In Belize, the Church is doing well and growing spiritually. The Church has had 10 baptisms so far this year. Please continue to pray for Dan's health.
- Mission Journeys has helped provide a motorcycle for the work in Dar es Salaam that is focused on rural areas outside of the city. This work is focused on reaching people in the Islam faith.
- In Zambia, we helped purchase land next to the Church in Solwezi. The additional property will allow for facility growth and added space for activities.

It would be my pleasure to present the work of Mission Journeys and Global Bible School to a Sunday School class, Sunday or Wednesday night, Missions Committee or a short overview on Sunday morning.

Mission Journeys - Global Bible School

Greetings to all from Mission Journeys – Global Bible School (GBS). Mission Journeys is working in Appalachia in Kentucky and Belize in Central America. GBS is working in nine countries: Philippines, Kenya, Guyana, Zambia, Tanzania, Rwanda, Democratic Republic of the Congo Burundi and Pakistan.

Guyana, South America

A successful men's conference was held in March at Alness Revival Christian Church with many men in attendance. We are planning a return trip April 7-15.

Philippines

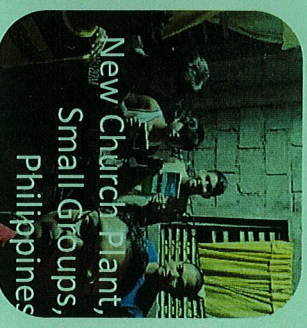

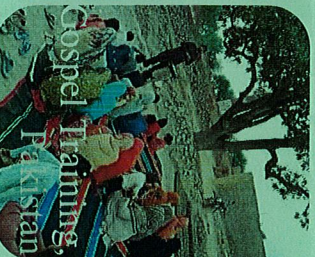

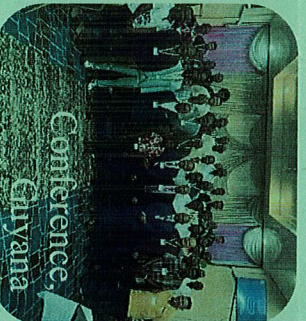

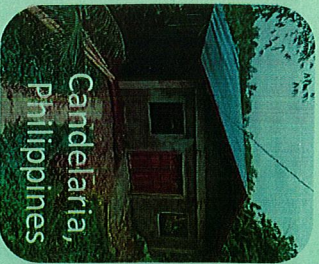

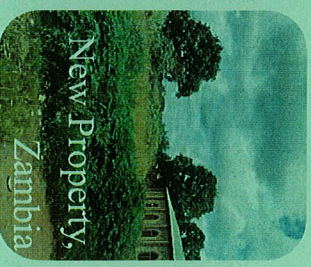

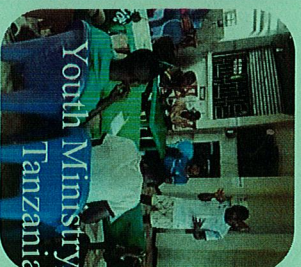

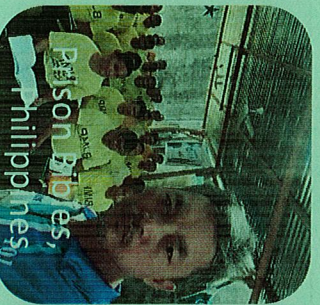

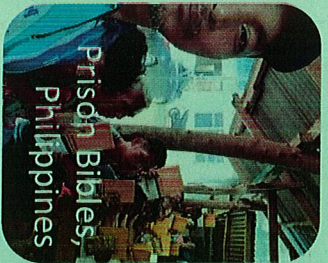

The Gabas Church of Christ (new church plant) has started two small groups with plans for a total of 10 small groups this year. The church is also ministering in the local prison. We completed the virtual online leadership class with five men of the Balugo Church of Christ. The building at Candelaria Church of Christ is finished except for the windows. This is the replacement building that was lost in heavy rains and mud slides in August of 2025. We have helped to purchase Bibles for prison ministries. This ministry has led to 13 baptisms this year. We are scheduled to make a trip to the Philippines April 21-May 13. We will be teaching Church Leadership and Church Administration.

Africa – Tanzania, Kenya and Zambia

We helped with a youth evangelism and sports ministry outreach in Malinyi, in January. There were 24 participants that completed the training and are now officially enrolled in the International Bible School (IBS) program. In Kibaha, we helped purchase materials to improve the church building used by the International Bible School. In Dar es Salaam, we have helped with purchasing a motorcycle used for evangelism in the rural areas. He has had two baptisms using GBS materials. We have helped purchase land next to the church in Solwezi. This will help with expansion of the church and an area for church activities. In Kenya we have helped by providing funds for Bibles and printing IBS materials. Plans are for a return trip July 29 – September 9.

Belize – Dan and Toni Underwood

The Cotton Tree Church continues to do well! Dan continues to preach each Sunday mornings. The church has had 10 baptisms this year. Please continue to pray for Dan's health.

Pakistan

The minister is working on leadership training with several groups. He is also working in many locations sharing the Gospel message with people who have a strong desire to become Christians and move from Islam.

Your prayers and support are very appreciated. The work is growing and lives are being changed with your help in sustaining the work of Mission Journeys - Global Bible School. Needs: Prayer for: men in training, leadership in churches and resources to sustain ministry and work.
