

Updates for May 2023

Mission Team in Guyana (April 12-19, 2023)

Wayne King, Dr. Patti & Bill Poczatek recently returned from a successful mission trip to Guyana, South America. The team did spiritual growth seminars and medical clinics with the **Alness Revival Christian Church**.

Wayne teaching in the Philippines (May 02-26, 2023)

Wayne King will be leaving for the Philippines on **Tuesday, May 02**. Wayne will be on the island of Leyte teaching and training several area ministers and church leaders.

Leyte is eighth-largest and sixth-most populous island in the Philippines. We've been working on Leyte since 2010. Our prayer is to start a school there that will train people for ministry. This could also help support possible new work on the neighboring island of Samar.

Please remember Wayne and the trip in your prayers.

Chuck Perry Medical Update

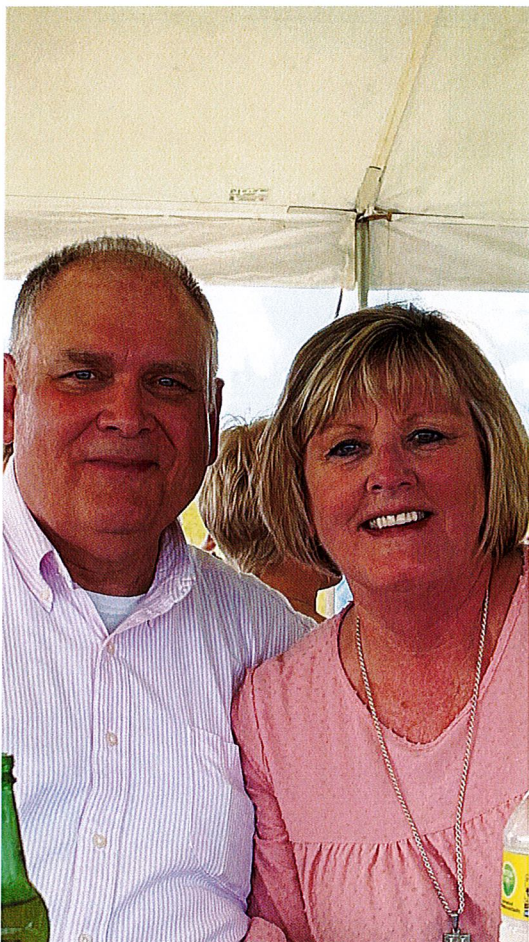

Our longtime mission volunteer and friend **Chuck Perry** has pancreatic cancer. Here's an update:

A port is in place and chemotherapy will start for Chuck on **Wednesday, May 03**.

The plan is for Chuck to have chemo every 2 weeks for 6 months. After 3 months of chemotherapy, there is a possibility of a surgery.

It is a very aggressive treatment plan for a super aggressive type of cancer. ***Please keep Chuck and Sherlan in prayer.***
