Dear Friends and Partners,

As I write this update, we are just a few days away from being two months out from the official launch of Foothills Christian Church. It is truly a God thing to see all that He has done over the last year and a half. We are incredibly grateful for your partnership and give God all the glory for what is happening here in Morehead.

Adding to the Kingdom

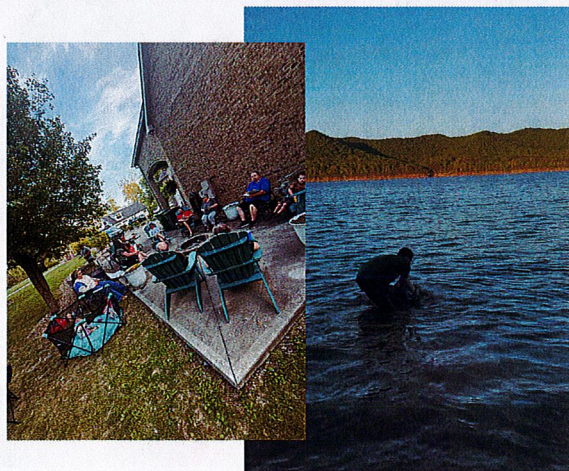

Since our last update, we have had the joy of seeing another student, Sofia Salisbury, submit to Christ in baptism. Sofia first noticed Foothills after seeing our signage in the student center while grabbing coffee one Sunday evening. After attending for a couple of months, she decided around Easter to be baptized. Although she had been following Jesus, she had never been taught the biblical understin. After studying Scripture together, we baptized her following one of our Sunday gatherings at Cave Run Lake. This fall, Sofia will also be using her gifts to serve on our worship team.

Easter Weekend

Easter was a busy and encouraging weekend for Foothills. We spent time on campus connecting with students and promoting Soar Campus Ministry, hosted a Good Friday gathering with nearly 20 in attendance, and welcomed more than 100 people to our community Easter Egg Hunt. Easter morning began with a sunrise service overlooking Eagle Lake, where we were encouraged to have a guest attend through our neighborhood outreach efforts. We ended the day with nearly 30 people at our Sunday gathering as we explored the evidence for the resurrection.

Ministry Growth

Our core team has grown to 14 individuals and met weekly throughout April for mission and doctrinal alignment. It has been exciting to watch this group develop into a genuine church family, with each person actively serving and using their gifts. Soar Campus Ministry also met weekly throughout the semester and averaged eight students in attendance.

Our staff team continues to grow as well. Haylie remains our Women's and Campus Outreach Minister, and Ricky Young, a recent MSU graduate, has begun a year-long residency with Foothills as we equip him for ministry leadership. Ricky will help lead our men's ministry efforts within Soar while also serving in an associate ministry role. In addition, Cassie has stepped into a volunteer leadership role overseeing children's ministry as we prepare for launch and expand our summer outreach efforts.

Looking Ahead

We continue to utilize office space downtown, meet weekly in the student center at MSU, and use various campus and community locations for ministry. Beginning in July, however, we will transition our gatherings to the conference room inside C.H.E.R., a facility owned by MSU and located near the hospital.

This summer is full of opportunities. We are hosting three preview services called Come and See Sundays, a neighborhood VBS, outreach at local festivals, and neighborhood prayer walks. All of these efforts are helping us prepare for August 23rd—our official launch and Welcome Home Sunday.

As we move closer to launch, we are continually reminded that none of this would be possible without the prayers, encouragement, and partnership of people like you. Thank you for believing in what God is doing in Morehead. We are excited to see what the Lord has in store in the months ahead and look forward to sharing those stories with you.

If you'd ever like to connect or hear more about the ministry, I would love the opportunity to talk with you.

In Christ,

Dylan Bjorklund, Church Planter
Foothills Christian Church
