A note from the manager...

The summer absolutely flies by! It is really hard to believe that it is already over. We have to stop right now and say THANK YOU to all of our deans and faculty that helped and worked this summer. Without them, there is no camp. At the end of each week we watch as they leave to find the nearest couch to collapse on because they have poured themselves physically, emotionally, mentally, and spiritually into the campers that have been here. They are coming alongside the campers and introducing some to Jesus for the first time, helping others to grow deeper with Jesus, and guiding a few through some very real, very hard spiritual battles. Allowing God to use us in the lives of others is what we are all called to do, but doing it while being sleep deprived, overheated and with a touch of poison ivy makes that a little more difficult. Again, thank you to everyone that took any kind of role this summer.

Also, THANK YOU to the parents that allowed us the opportunity to pour into your children. To trust someone to care for your child both physically and spiritually for a week is a big deal. So, thank you for trusting us.

During the 9 weeks of June & July we had 962 campers, which brings our year total so far to 1042, and we had 43 baptisms with 5 rededication!!! Praise God!!

Summer camp might be over but Camp Calvary is certainly not done. We just had our 3D Archery Shoot which was an absolute glorious day. The weather was perfect and we had 180 participants with over 200 total people here. There was over \$17,000 raised. We want to thank Rusty Ruble, Ryan Dean, Chad Cooper and their team for the tremendous job they did and always do organizing that event.

Be sure to mark your calendars for all the upcoming events this fall:

Sept 12- Disc Golf Tournament
Sept 18-19- Ladies Retreat
Sept 25-27- Adventure Camp 3

Oct 3- Trap Shoot (BRAND NEW!)
Oct 23- Men's Retreat

Thank you for your continued and constant support of Camp Calvary! We are so blessed to have so many people involved here, it is one of the many ways that we see God move. To Him be all the glory!!!
