OCTOBER 2026

CAMP CALVARY

Ladies' Retreat
2026

Over 300 women came together to worship and study The Word.
Erin Warren brought an lesson on Psalm 121:1-2. Thank you, Hollie, Julie, Ann Renee, and team for all the work you put in to make this even sucessful.

SHOTGUNNERS SHOOTOUT

Camp Calvary's 1st ever Shotgunner's Shootout was a success!

50+ shooters spent a Saturday morning enjoying the beauty of Camp Calvary. The day was filled with fellowship and clay shooting. Money raised during this event will offset the cost of future camp events that will share the love and good news of Jesus.
Thank you to everyone who helped or came out!

Adventure Camp 3

The final adventure camp of the year was deaned by Kaylee Hockensmith. The theme was "Aliens & Strangers," based on 1 Peter 2:11. Campers and faculty studied what it means to live as aliens and strangers in this world because Heaven is our true home!

Adventure Camp 3

A Note From the Manager...

Camp has been non-stop throughout the month of September. We have had Disc Golf Tournament, Ladies Retreat, Adventure Camp 3, and Shotgunners Shootout (first week of October). All were tremendous successes and we want to specifically thank the group of guys that organized the Disc Golf Tournament. Julie Dickerson, Holli Burns and their team for a great Ladies Retreat. Kaylee Hockensmith and all the faculty and supporters that assisted her to put together an incredible Adventure Camp. And Brady Sawyer for organizing the very first sporting clay event. We are SO blessed to have the massive amount of volunteers that help to make Camp Calvary what it is. It truly is the body of Christ working in unison toward one purpose, to bring Him glory!

Interior doors have been hung and the painting has been completed in the new dorm. We are now ready for vanities to be hung, tile to be laid, electric and plumbing to finish. After donations from this past month and the money raised at Ladies Retreat we believe the new dorm is FULLY FUNDED!! With any construction project there is always the possibility of unforeseen expenses, especially toward the end, but for the expenses we know about, the project is funded.

Now we are turning our attention to the purchase of additional bunks. All of our current bunks will be moving to the new dorm, and we will be purchasing bunks to be placed in the Coulter Complex. These bunks will look exactly like our current bunks except that some of them will have the ability to be unstacked and made single beds to better serve some of our Adventure Camp campers. Within the newsletter is how you can get involved and help with the purchase of these new bunks.

Men's Retreat is coming up on October 23. Guys, this is one you will not want to miss. As a husband, Davey has lived through my worst nightmare, and he testimony of God's faithfulness and the power of forgiveness is incredible. There is a new wrinkle this year as we will be auctioning off hunts at Camp, and an old wrinkle coming back as guns will return to the live auction. Be sure to get registered!

Thank you for always supporting Camp! When we stop and take stock of all the people that are involved in Camp it is overwhelming, but that turns into amazement in our God. He uses SO many people with varied skills, talents, and experience to bring about His will for His glory. I am incredible thankful for everyone who plays a part in Camp, grateful that God would allows us all to be part of it, and just in awe of His goodness and power!
