Our mission:
To educate preachers
And other Christian leaders
For Christ’s church.

Congratulations to Dr. & Mrs. Jason Anderson on the adoption of their little girl “Jerrica Rose Anderson”.

LBC NAMES VICE PRESIDENT’S

Louisville Bible College welcomes Dr. Terry Peer as Vice President of Business Administration. Dr. Peer has been serving as a professor, and his role is now expanded to serve two full days per week in the Administration.

LBC is pleased to announce Dr. Jason Anderson will assume the role of Vice President of Academic Admin. officially on July 1st.

PRAYER REQUESTS

Please keep Mr. Joe Hatchett (LBC Regent) in your prayers. He is currently going through treatment for Non-Hodgkins Lymphoma. Joe recently said, “Due to low immune system there is limited contacts. Still have effects of lack of taste making nutrition a challenge. Low energy limits activity. This is a part of the process toward remission that we must endure. Your prayers and encouragements mean so much.”

and

Mr. Andrew Paris’ service with LBC has concluded. Please keep him in your prayers as he is now recovering from a broken hip suffered in a fall at home.

OUR DEEPEST SYMPATHY

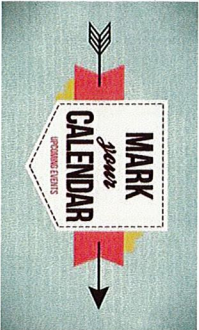

Melvin Lee White entered eternal life April 21st 2022 at the age of 81. He is survived by his wife of 60 years, Valeria (Crockett) White. He was Minister of Marysville Christian Church in Indiana for 27 years. He also served at White Mills Christian Camp, Kentuckiana Christian Mission, Regent Emeritus at Louisville Bible College, and many other church and community organizations.

Please pray for Mike Bell's family as he lost his sister,
Betty Gay Stackhouse on May 22, 2022.

also

We extend sympathy to Kristi Sweeney and her family (wife of
Regent Anthony Sweeney) on the passing of her grandmother
recently.

Special Alumni Event on October 15th, 2022

So much is happening at LBC! This newsletter contains news of our recent Commencement, and the appointments of Dr. Jason Anderson and Dr. Terry Peert to Vice Presidents. My words cannot communicate the excitement and optimism I have for the future of LBC. God is providing for us to be in a position to continue to work and be even more effective in fulfilling our mission.

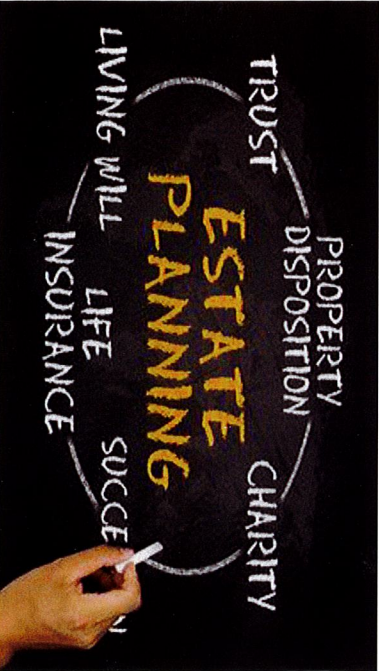

My greatest concern though is the ongoing issue that there just aren't enough men stepping up to be preachers. Perhaps I need to remind us that while He was on earth Christ saw the fields ready to be harvested, but there weren't enough workers. His response was to call for prayer that God would send more workers. We need to be praying that same prayer today.

Too many think of college being just for the young. However, LBC is a non-traditional college. Yes, we have students who have finished high school and then head straight to college. But, LBC has so many more students. We have students of all ages. There are churches today needing a preacher who has another job, but is willing to preach as well. There are those who are at a point in life that they need a career change. Those men need to consider preaching as they seek a different direction in their lives. Many have retired from full-time employment in the corporate world, but they are still healthy, active, and capable of working with a congregation as a preacher. LBC is a perfect fit for all of these. Through our various means of offering classes including online, and with our affordable tuition rates LBC provides a real option for those who are willing to leave the comfort zone and step out in faith to preach.

Who will heed the call? There is time left to sign up for classes this fall. I'm praying, and I know God hears and answers. Join us in preparing yourself to serve as you never have before.

Yours thru Jesus,
Jenny Allen
