

Dear Supporter and Friend of Mission Journeys!

The last couple of years have been trying for many reasons. Despite those difficulties, we have stayed the course. We can't say it enough, it is through your faithful giving that this mission is able to continue. For that, we say thank you and pray that God blesses your commitment to missions.

Unfortunately, those difficulties have not been without any consequences to the ministry. To be good stewards of the blessings that this church helps provide, we have made budget cuts which have delayed some of the plans for growth. We understand many of you have had to make the same decisions.

At this time, we are looking for a potential opportunity to speak to your congregations about our work. We believe that directly serving in missions is one of the best ways to grow in Christ while providing for the needs of others. Here are just a few of the opportunities we currently have:

- Mission trips (3-10 days)
  - Native American Reservations South Dakota
  - Appalachia missions in eastern Kentucky and central West Virginia
- Appalachian Christmas Project in eastern Kentucky
- Meal Packs with our partners at Lifeline to benefit international missions
- Disaster Relief Teams
- Food and Clothing collection

If you are interested in hearing an update on the work of being done, or we can provide an opportunity to speak with your congregation, please call us at the office or email us at [missionjourneys078@gmail.com](mailto:missionjourneys078@gmail.com)

In the meantime, please continue to pray for Mission Journeys and may God bless your church.
