Trustee Election - Our trustee's election is this Wednesday, March 25th. Please make sure you are in your place. The Election is for church members who are 18 and older. A trustee in a church setting is responsible for assisting church leaders with financial decisions and ensuring that funds are managed wisely. They meet monthly to discuss and vote on financial matters, helping oversee the church's budget, expenses, and overall financial health.

This Morning's Sermon Summary

This sermon teaches that the Lord's Supper is meant to focus believers specifically on the cost of their redemption—Christ's broken body and shed blood—and not just His life or teachings, and that remembering this sacrifice should lead to renewed devotion. Drawing parallels to how God reminded Israel of their deliverance to call them back to obedience, holiness, relationship, and blessing, the message emphasizes that Christians today are also redeemed with a purpose: they belong to Christ, are called to live distinctly, obey Him, and grow in relationship with Him. Remembering the price Jesus paid is meant to awaken believers from spiritual drift—whether in neglecting their relationship with God, compromising obedience, blending into the world, or living as if they belong to themselves—and to prompt a renewed commitment to Christ in daily devotion, repentance, holy living, and full surrender.
