

Laboring for Christ In

"ZAMBIA! THE REAL AFRICA"

Dear Prayer Partners,

Jennifer and I thank you for your faithful prayers and financial support. Every tract distributed, every sermon preached, every child reached, and every soul pointed to Christ is possible because churches like yours partner with us in the Gospel. Thank you for standing with us.

The Family

By God's grace, our family is doing well and is in good spirits. Please continue to pray for us as Zambia enters election season and as our region watches the Ebola crisis across the border.

Pray for Zambia

Political activity has intensified ahead of elections. Large crowds can become dangerous, and even distributing Gospel tracts can be misunderstood for campaigning. Pray for wisdom, protection, and open doors for the Gospel.

The Ebola Situation

We praise the Lord that Zambia has reported no cases. However, neighboring Congo continues to battle the outbreak. We remain vigilant, taking precautions, and trusting in the Lord's protection. We are very far away from the epicenter, though that could change within days.

The Ministry

Things are not easy at all, but, ministry goes on regardless of circumstances. Please pray for our young married couples, several of whom have drifted from faithful attendance.

Thank you to the churches that recently helped meet our ministry needs and to all who faithfully support this Lord's work.

We were delighted to have the Wardsworths with us for 10 days. Please consider a mission trip to Lusaka. There is no substitute for seeing the Zambia mission field firsthand.

'Let us help you overcome your **Africaphobia!**'

By God's Grace
