Knowing Christ and the Power of the Resurrection

"For the word of the cross is folly to those who are perishing, but to us who are being saved it is the power of God." (1 Corinthians 1:18)

Here are some key points and passages to read and study on:

- The resurrection proves that God the Father accepted Christ's offerings as a sufficient sacrifice for sin.
- The resurrection proves that justification, redemption, and reconciliation was possible for righteousness from God had been provided in Christ.
- The resurrection proves that Christ is the only mediator between God and Man.
- The resurrection proves that death, hell, and the grave have been defeated.

For Prayer and Application

Jesus is the resurrection and the life. Whoever believes in Christ, though they die, yet shall they live, and everyone who lives and believes in Christ, shall never die.
