About My Trip

I want to share with you about an exciting opportunity I have before me this summer. I have been accepted onto the 2019 Youth Summer Missions Team, as part of my involvement with the student ministry at my church. I will be headed to Lorain County, Ohio for a week! Our team will be sharing the love of Jesus with the local people who live in Ohio. The people we are going to serve are dealing with poverty, unemployment, and poor living conditions.

Would you consider helping me to make this trip a success? I need your prayer as well as your financial support. To help support me all you need to do is click on the "Donate now" button and follow the instructions. Thank you so much for even considering this and taking the time to read about my opportunity.

About Student Impact at Living Faith Christian Church

We have a great mix of students that come from many different towns, schools, and backgrounds, which makes our student ministry diverse and unique. It's a place to have fun, make friends, get connected, and learn more about God. Our youth ministry exists to reach non-believing students, to connect them with other Christians, to help all students grow in their walk with God and their faith, to challenge them to serve and make a difference both in their community and beyond, and to honor God with their lives.
