

## Installation Instructions -

### **MOBI File - Use this eBook file format if you have a Kindle product.**

#### **To add a MOBI file to your Kindle:**

- 1 Download the conquering.mobi file onto your computer.
- 2 Turn your Kindle on.
- 3 Connect your Kindle to your computer using a USB cable.
- 4 Drag the MOBI file to the Kindle icon on your computer desktop.
- 5 Wait for the USB Activity Indicator on your Kindle to stop flashing.
- 6 a. PC Users - "Safely Remove Mass Storage Device"
- 7 b. Macintosh Users - "Eject" the Kindle from your computer
- 8 Unplug the USB cable from your Kindle. The Ebook should now appear in your Kindle Library.

**EPUB Format** - This file format can be used on Sony Readers, Nooks, and iPads/iTouches/iPhones. Please note that most smart phones and other eReaders use the EPUB format. Please refer to your device User Manual for specific instructions.

#### **To add an EPUB file to your iPad/iTouch/iPhone:**

- 1 Download the conquering.epub file onto your computer.
- 2 Download the free iBooks app to your device. This is available from the App Store.
- 3 Connect your device to your computer.
- 4 Open iTunes (make sure you have the latest version).
- 5 Click on "File," then "Add to Library"
- 6 Find the EPUB file you just downloaded, highlight it, and click "Open."
- 7 Select the desired device in the Devices drop down on the left hand side.

- 8 Go to the Books tab and make sure the “Sync Books” box is checked.
- 9 Sync your device and the book will appear in your bookshelf.

### **To add an EPUB file to your Nook:**

Download the EPUB file onto your computer.

- 1 Download the conquering.epub file onto your computer.
- 2 Connect your Nook to your computer using the USB cable. The device will appear as a removable disk under My Computer for Windows users, or Finder for Mac users.
- 3 Drag the downloaded EPUB file over to the removable disk.
- 4 Eject the Nook from your computer and disconnect the USB cable.
- 5 Tap "Go to My Documents" on the Nook's touchscreen to open and read your ebook.

### **To add an EPUB file to your Android Phone/Tablets:**

- 1 Download the conquering.epub file onto your computer.
- 2 We recommend using the Alkido Book Reader application that is available for free on your phone/tablet Marketplace.
- 3 Put the file onto your SD card/Phone memory by connecting your phone to your computer with the USB cable.
- 4 With the Alkido application, select the Home icon and then select SD card.
- 5 The EPUB file you downloaded should be in the “Download” folder. Select import into Alkido.

### **To add an EPUB file to your Sony Reader:**

- 1 Download the conquering.epub file onto your computer.
- 2 Connect your Sony Reader to your PC or Mac using the USB cable.
- 3 Using the Sony Reader Library software, transfer the downloaded EPUB file onto your reader.

- 4 When the EPUB file has been copied, unmount or eject your Sony Reader and disconnect the USB cable.
