Come into my life and make me brand new. Fill me with your Holy Spirit and help me live for  
you every day for the rest of my life. Thank you for saving me. Amen.*

## HEALING

### KEY QUESTIONS:

*How long have you had this issue?  
What caused it (if you know)?  
Is there an official diagnosis?  
Does anyone else in your family have this as well?*

### **SIGNS IT'S SPIRITUAL (RATHER THAN PHYSICAL):**

- + Symptoms of a particular disease, but testing proves it's not that disease
- + Pain moves and is random, no rhyme or reason, etc.
- + Symptoms go away, or increase significantly when:  
praying, worshipping, reading Bible, at church, etc.
- + Certain diagnoses are usually spiritual: depression, anxiety, intrusive thoughts,  
mental disorders, psychosomatic disorders, fibromyalgia, FND, PNES, OCD, etc.

***\*If you discern it's spiritual, use DELIVERANCE PRAYER model\****

### PRAYER:

1. PRAY: Ask for the Lord to heal them & declare "Be healed in Jesus' name"  
Command all sickness or spirits of infirmity to leave their body, etc.
2. Re-interview and ask them how symptoms are
3. Assess next steps: pray again -OR- encourage (not all are healed instantly)
