

Debika Howard

Debika serves as Venture's Director of Global Missions, where she cares for the church's missionaries, builds relationships with global partners, and oversees the short-term missions program. Passionate about teaching and spiritual formation, she loves helping people grow as disciples of Jesus and equipping them to live on mission through praying, giving, serving, and going.

Before stepping into ministry, Debika spent her career in nursing, primarily in the Neonatal Intensive Care Unit (NICU). She will graduate in December 2026 with a Master's in Theology and Ministry Leadership and enjoys continually learning and growing as she serves the Church. Debika and her husband, Jeremy, have a daughter, Ella, and enjoy traveling, exploring the outdoors, and spending time with family and friends. She is grateful to be part of a church committed to making Jesus known locally and around the world.
