Missions Impact

Hello Central Family!

We are dedicating Fall of 2026 to celebrating the work of local and global missions! We continue to name and trust the way God is working to make significant impacts throughout the world, growing the Kingdom and helping foster disciples. Missions are very much part of our vision to **Live. Jesus. Together.** It is our goal in the next few weeks to articulate the impactful work that God is doing through missions at Central. **Deeply connected to the funds raised and hours spent serving are the lives being transformed, changed, and shaped for the sake of the Gospel.** Consider the incredible impact God is making through Central.

Join us for **Missions Impact 2026** and prayerfully consider the ways that God is inviting you to participate.

Give or make a pledge toward 2027 missions

This is the time of the year where we turn our focus to local and global missions and celebrate these partnerships. We invite you to join God in his mission in the world. **Each year, roughly 30% of all funds given to Central are spent on local and global missions.**

Your giving benefits God's kingdom in Amarillo and worldwide. We celebrate your great generosity and the way God has used and is using your giving to impact the world through our partners! We are grateful to join God in this work.

Interested in a short-term mission trip? Looking for a place to serve? There are opportunities to join a global mission trip. There are also opportunities to volunteer locally—even here at Central on a Sunday morning. Contact Elaine by email at elaine@amarillocentral.org for more details on how to get involved.

How can I give? If you'd like to participate in Missions Impact by giving, we offer both in-person and digital giving options for your convenience. You can give weekly to the missions fund. You can give a sum amount on the final Sunday of Missions Impact (October 25). You can also make a pledge to fulfill throughout the year.

However you choose to participate, our prayer is that God uses those funds and time to His glory throughout the world.

All missions will be part of Central's regular budget, with an annual mission emphasis and special fall collection.
