APRIL UPDATES

NEW COMMUNITY EVENTS COORDINATOR

We are excited to announce the hiring of our new Community Events Coordinator Lisa Campbell

The job title for this position was changed in the fall, as a Board programming task force reviewed the position of Programming Coordinator responsibilities. It was determined as part of that review to change the title to fit the purpose of this role. Programming is part of this person's job, but intent of having this role is to plan and coordinate events and activities that are meant to create community at LCC.

Lisa has the background and skill set to fulfill that mandate. Please make sure to congratulate and support Lisa as she has hit the ground running to help us make sure we have another great summer of community as we grow together to Know Christ More.

Lisa is married to Damian Campbell
Children: Son-Austin (29), Daniella (spouse), Liana (granddaughter), & Luciano (grandson), Daughter Alivia (23), Son Collin (17), Daughter Addison (16)

The Campbells live in Rochester (Greece) and they have a spot on Third Street (607) at LCC. They got connected through a friend at church who invited them to Getaway Camp in 2019 and have been coming ever since.

Lisa has worked at First Bible Baptist Church for 6 years as the administrative assistant and events coordinator. In this role I have planned events and have had many administrative tasks to complete daily. I am excited for the opportunity to come on board at LCC and begin the event planning process for the camp.

Lisa came to know the Lord Jesus as her Savior on February 15, 1998, at North Syracuse Baptist Church.

I had to excuse myself while I regained my composure to address the profanity issue!

What is one funny thing people may not know about you? I wear the same clothes 93% of my life.

What piece of advice would you give to your 16-year old self?

- You think life is about proving yourself. It's not. It's about becoming a man who can be trusted - by God, by your family, and by those you lead.
- Take God seriously now. Don't play with sin. What you tolerate today will shape who you become.
- Honor your future wife in the way you live right now. Your private choices will either build trust - or destroy it.
- Choose discipline over comfort. Do hard things. Tell the truth. Finish what you start. That alone will set you apart.
- Don't confuse being busy with being effective. Learn how to think. Ask better questions. Understand how things actually work.
- Get around strong men. If you're the strongest in the room, you're in the wrong room.
- Take more risks. You play it safe - don't. You'll regret hesitation more than failure.
- When you lead, care about people - but don't lower the standard. Excellence matters.
- Your biggest regrets won't be what others did to you - but when you knew what was right and didn't do it.
- Always do what is right.
- Be assured that the more you trust in the Lord, the more you will be used by Him!

What is your favorite verse? Galatians 2:20

I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.
