### THE PROPHET

The term prophet or prophecy occurs frequently throughout the scriptures but, depending on context, describes nuanced jobs or messages for the benefit and correction of God’s people.

This delicate nuance can produce confusion. The Apostle Paul determined to sort out this sort of confusion in the early Corinthian church and churches have continued to bring definition to the matter today. For the sake of simplicity and clarity, this assignment will work to carefully apply the video content to practical ministry experience.

Regarding the church today, what is a prophet? See Ephesians 4:7, 11-16 (NIV) and 1 Corinthians 14:3 (NIV) for clarity.
