THE APOSTLE

See John 20:21-22 (NIV) and Hebrews 3:1 (NIV) to see Jesus described as **our Apostle**. Who sent Jesus? Who sends us? How does this impact how Jesus ministers to others today?

Read Matthew 28:18-20 (NIV) and explain how the apostolic functions in both individuals & throughout the whole church.

APEST

Lesson: The Apostle

We serve a sending God, who sent Jesus, the perfect Apostle, and has also sent individuals over thousands of years. In your opinion what should service within the church look like for those with an apostolic imprint upon their lives. What should their function and role be?

What might somebody with an apostolic function have experience with? What jobs or industry roles may they have previously excelled in or been interested in?

CONCLUDING THOUGHT...

APEST was given to grow us to maturity, equipping us to be His Body in the world. (Ephesians 4)

How could you demonstrate this with your APEST gifts bearing His image in your church community, greater community, and in your wingspan?
