FURTHER  
FARTHER  
FASTER

LANE  
ENDS  
500 FT

Over the last five years, North Ridge Church has reached higher for the things of God, wider for the lost to be found, and deeper to understand our purpose in Christ and we believe now, more than ever before, that Jesus is asking us to reach further, farther, and faster to see his Kingdom come near and far.

# WHY ARE WE REACHING?

This year, we're asking you to reach with us and believe that our generous God will allow us to raise

\$178,000

to reach with our partners in local initiatives, global projects, and future generations of leaders. To see what it looks like to partner near, far, and for the generations ahead, read and get excited about what our God is doing around the world!

# LOCAL PARTNERS

## **NORTH RIDGE CHURCH: NORTH CAMPUS ADVANCEMENT**

REACH started at 1021 W McMillan Street as we endeavored to right-size our building so that we could reach higher, wider, and deeper for the things of God. Over the course of the year, we want to pay down our mortgage to guarantee faster financial freedom and allow for greater future generosity.

## **NORTH RIDGE CHURCH: SOUTHSIDE DEVELOPMENT**

The Southside has allowed us to reach wider in our hometown. We believe God has called us to use this space as a church without walls to welcome those who may never step foot in a church. Our goal is to continue to improve the grounds over the next year.

## **CITY ON A HILL: MILWAUKEE**

City on a Hill is looking for digital tools to widen their influence on Milwaukee's near west side. New story-based studio-quality promotional videos are needed to reach believers and neighbors to engage in urban discipleship groups. In order to launch these groups, a robust volunteer management system is needed to recruit, mobilize, and support people in growing a missionary heart for the city!

# GLOBAL PARTNERS

## **MONTHLY MISSIONS SUPPORT**

We have 32 monthly mission partners everywhere from Marshfield to Malaga to Myanmar. We want to support our partners as they serve people we'll never meet but who are within the reach of the global church.

## **MISSION PARTNER HOSPITALITY**

One of the best ways for North Ridge Church to grow a heart for reaching others is to hear from our partners live and in-person. This project allows us to invite, host, and warmly welcome partners throughout the year to share the dreams REACH is helping bring to fruition!

## **SPEED THE LIGHT**

This organization exists to fund missionary projects around the world, including essential resources, transportation, and creative communication equipment that will be supported by North Ridge Youth over the next year.

## **BOYS AND GIRLS MISSIONARY CHALLENGE**

BGMC is a missions organization that helps kids learn what it means to have a heart for generosity as they give sacrificially to help meet critical needs around the world.

## **PROJECT RESCUE: THE OASIS SAFE HOME**

This holistic red light district ministry model includes six focuses for women and children trapped in sexual slavery: outreach, training, shelter, children's center, refuge, and business. In order to grow the reach and influence of The Oasis, we have committed to supporting the food, supplies, and salary for pioneering a new site in Bangladesh.

## **SERVING HEART FOUNDATION**

Our partners are sitting on the board of a developing Christ-centered foundation seeking to reach at-risk youth of Korat in public schools and youth prisons. We have committed to providing funds for their first year lease, building maintenance, and furnishings once they secure funds to register the foundation with national offices in Thailand.

## **LIVEDEAD SILK ROAD SOCIAL MEDIA EVANGELISM**

98% of people in Tajikistan are Muslims with no exposure to the Gospel and sharing it publically is dangerous. In recent years, the Holy Spirit has allowed 200,000 effective digital gospel conversations to occur which has led to three home churches being organized. Through various social media platforms, shadow accounts, burner phones, and aliases this team is ready to develop a full-time online ministry to wisely and safely reach wider for the Tajik people. Our support will allow necessary facilities and technologies to be secured as well as offer crucial technical and theological training for volunteers.

## **LIVEDEAD SILK ROAD TEEN CHALLENGE**

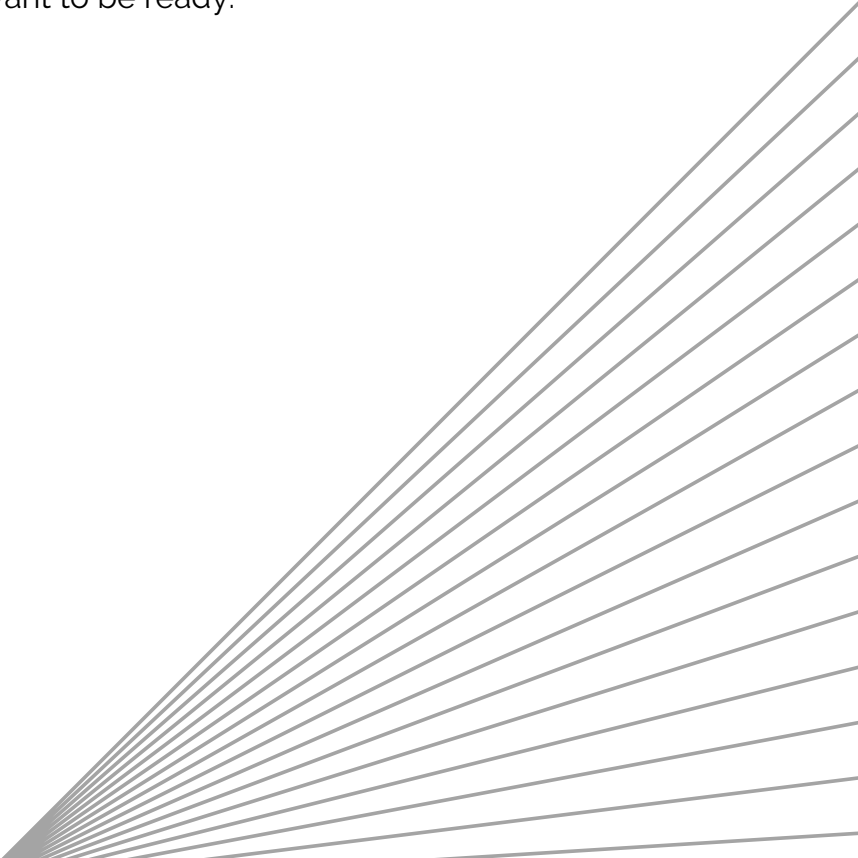

Teen Challenge Kyrgyzstan, a men's drug abuse recovery program, is in need of a new vehicle. After 20 years, their four operating vehicles for shuttling program guests to treatment, training, ministry engagements, and outreach have dwindled down to one. We want to ensure a Christ-centered future for at-risk men.

## **GLOBAL UNIVERSITY PASTORAL TRAINING**

As one of many nations hostile to the gospel, Nepal has made it illegal to vocationally pastor in its borders. However, our mission partners on the rooftop of the world have located 20 pastors who are willing to reach higher and wider for Christ to see their nation transformed by the Gospel. This money will ensure each of those 20 will receive proper theological training to become more effective spiritual mothers and fathers.

## **GLOBAL EMERGENCY RESPONSE**

If one thing is certain, the future is uncertain. In the wake of the last three years we have felt the pain of hurricanes on domestic coasts, war in the developed west, and witnessed a pandemic shake the globe. We don't know what will grip our heart and headlines next but we want to be ready.

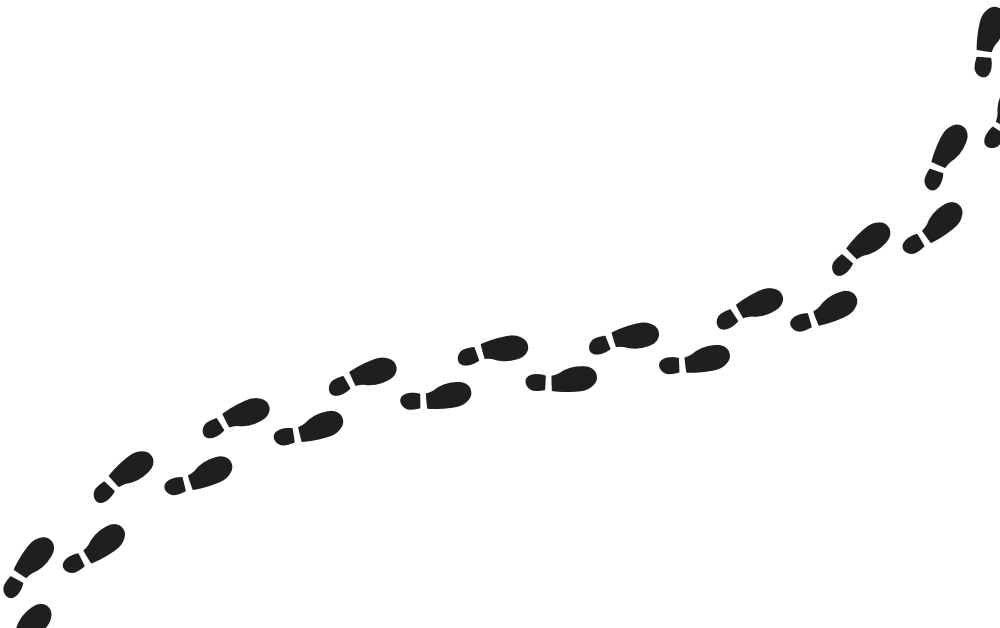

# REACH TRIPS 2023

## **NORTH RIDGE CHURCH: 2023 REACH TRIPS**

In 2023, we've planned two trips to reach the world: in Milwaukee and across the globe in Thailand. The support given will cover supplies and administrative costs that will keep the trip affordable for those feeling compelled to go and reach the nations so that all might be made new and fully alive in Christ.

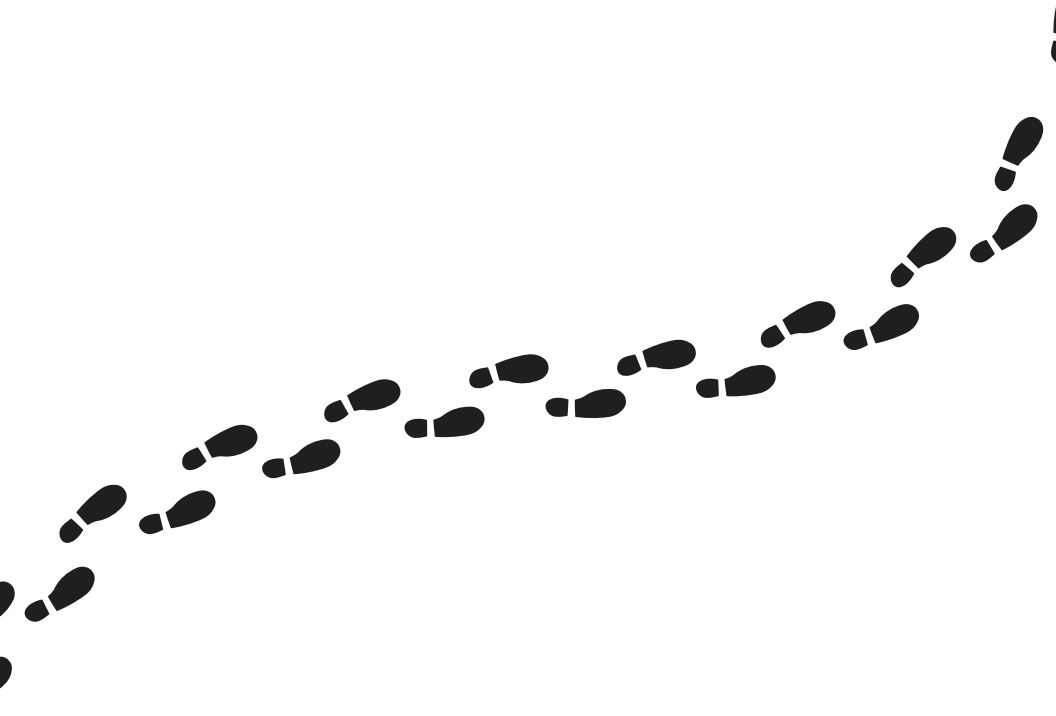

## **REACH THAILAND | DECEMBER 26 - JANUARY 4**

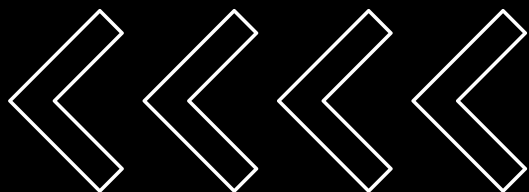

At the end of the year, 15 people will be partnering with Brandon & Rachel Powell through celebrating the holiday with Thai people who are enamored with Christmas but may have never heard a message of hope in Jesus. Additionally, a portion of this trip will be dedicated to juvenile justice work with at-risk students in Thai detention centers and schools or working in red light districts. If you have a heart for young people and God's restorative justice in our world, be praying about joining this opportunity.

## **REACH MILWAUKEE | A WEEK IN JUNE**

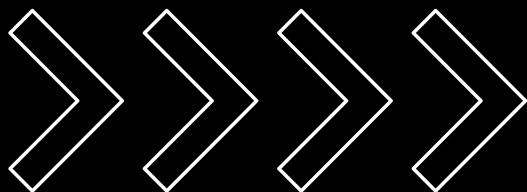

In June this year, we will be sending a team to work alongside our partners at City on a Hill. This trip is crucial to grow a heart for missions. Street evangelism, kids ministry, and immersive poverty education are all major themes of this trip. If you've never been on a mission trip or need to see people through the eyes of Jesus. This trip is your next step!

**THEREFORE, GO AND MAKE  
DISCIPLES OF ALL THE NATIONS,**

**BAPTIZING THEM IN THE NAME  
OF THE FATHER AND THE SON  
AND THE HOLY SPIRIT. TEACH  
THESE NEW DISCIPLES TO OBEY  
ALL THE COMMANDS I HAVE  
GIVEN YOU.**

**AND BE SURE OF THIS: I AM  
WITH YOU ALWAYS, EVEN TO  
THE END OF THE AGE.”**

**MATTHEW 28:19-20**

# NEXT GEN PARTNERS

## **NORTH RIDGE CHURCH: NEXTGEN SCHOLARSHIPS**

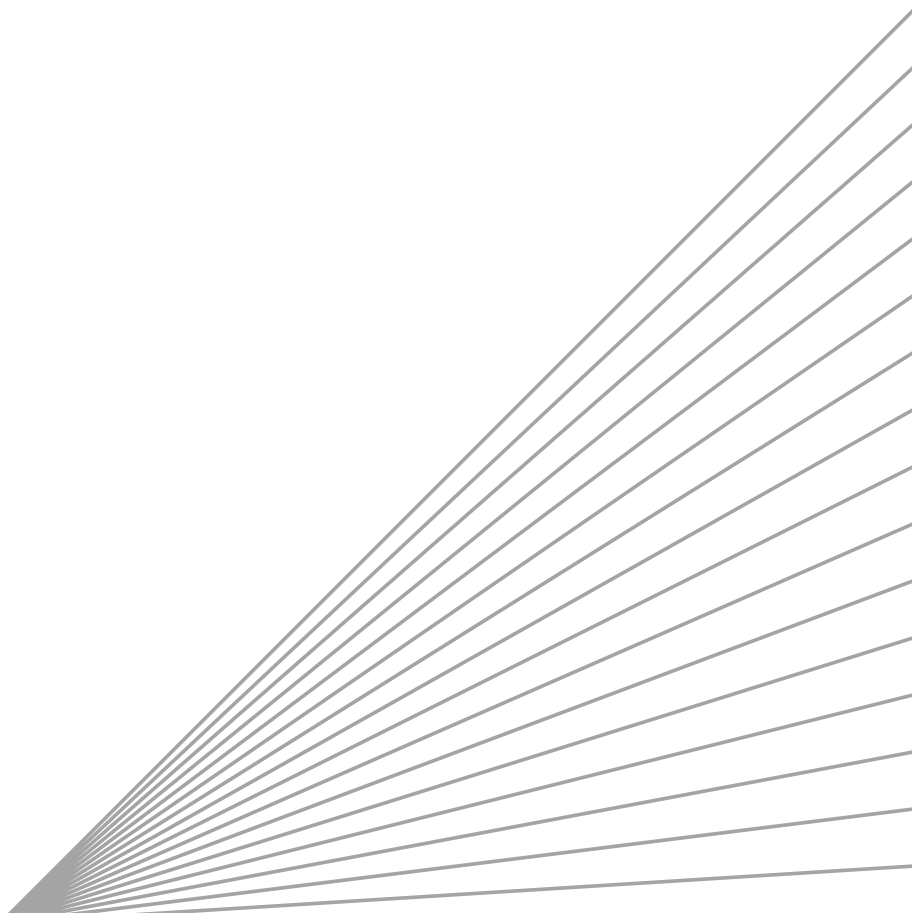

Each week, North Ridge Church serves nearly 200 young people from birth to 18 years old. Throughout the year, we offer many opportunities for them to experience God in new and unique ways between summer camps, retreats, conventions, and mission trips. We don't want dollars to ever deter this generation from seeing the goodness of God. We want to ensure every student has the opportunity to reach higher and deeper for the truths of God.

## **SPENCER LAKE CHRISTIAN CENTER**

Faithfully pouring into the lives of young people since 1946, Spencer Lake has been a home of rescue, revival, and calling for many young people. Since its beginning, thousands of young people have felt God call them to missions or ministry at camp. This project will improve beachfront amenities and create a crucial safety barrier protecting kids and students from the county highway bisecting the camp grounds.

## **RABBIT FARM**

Burundi is one of the poorest nations in the world and children's ministry is almost nonexistent. A recent cattle disease has decimated much of the region's beef production. This has created an opportunity. This rabbit farm will produce both affordable protein for a developing nation and funds to support children's ministry training and programming in the country so that the nation's youngest might know Jesus.

# WHAT IS MY BEST GIFT?

This is a space to plan, vision, and dream with us as we reach further, farther, and faster. Giving can be broken up monthly to help stay faithful to what God is calling you to sacrifice. We will also celebrate with a Miracle Giving Sunday on November 12th, 2023.
