*Centered On Remote Evangelism*

Dear Friends and Ministry Partners,

Thank you for your continued prayers and faithful support of the ministry in Latin America.

We recently had the privilege of hosting a team from Cornerstone Baptist Church in Swartz Creek, Michigan, and their time here was a tremendous encouragement. They came ready to work and spent several days in the heat alongside myself, Pastor Elan, and Honduran men from his new church plant. They were carrying rock and sand, mixing concrete, and helping pour the new floor on the church building. It was a blessing to see such a strong spirit of unity and service as they labored together.

During their visit, the team also traveled with me to La Mosquitia where we met up with fellow CORE Missions missionary Tim Carter. While there, they assembled pews for a small village church that previously had no seating, which was a great help and encouragement to that congregation.

We also had the opportunity to show the Jesus Film in the Miskito language, allowing many to hear the Gospel in their own heart language. One of the young men from the group, just 17 years old, faithfully preached and clearly presented the Gospel. We are thankful for how the Lord used both the message and the team's testimony.

Thank you for your continued partnership in making ministry like this possible. We are grateful for each of you.

We would also like to ask for a specific prayer request for our family. Our daughter, Adeline, is scheduled to have eye surgery next month to correct . We would greatly appreciate your prayers for a smooth procedure, wisdom for the doctors, and a quick recovery.

Thank you again for your prayers and partnership in the gospel.

With gratitude, The Beil Family
