

The BEIL FAMILY

Centered On Remote Evangelism

Dear Friends,

Thank you for your faithful prayers and support! God continues to open doors for ministry, and we're grateful to share a few recent blessings with you.

One of the greatest joys over the past few weeks was returning to Honduras for the one-year anniversary service of Iglesia Bautista Gracia (Grace Baptist Church), where Pastor Daniel Moncada faithfully pastors the church. It was a privilege to be present for this special milestone and to see what God has done during the church's first year. Hard to believe just one year ago I did the dedication service for this church! God is faithful.

The service was made even more special because one of my oldest friends, Wesley Morgan, was able to travel with his family and members of his church to celebrate with us. Wesley preached the anniversary message, I had the privilege of translating, and we rejoiced as several people trusted Christ as their Savior. Seeing a church that began just one year ago faithfully proclaiming the Gospel and already bearing fruit is a tremendous encouragement.

On the family side, we also want to thank each of you who prayed for Adeline's recent eye surgery. The complicated procedure was an initial success, and we are very thankful for how everything went. Now we begin a four-month waiting period to determine whether a second surgery will be necessary. We greatly appreciate your continued prayers as we wait and trust the Lord for the best possible outcome.

We also have an exciting ministry update to share! CORE Missions has officially opened our very first office. For years our staff has worked from homes, churches, coffee shops, and wherever we could find space. This new office will provide a central location for our growing team, allow us to better serve missionaries and churches, and give us room to expand as the Lord continues to bless the ministry.

Of course, this new opportunity also brings new financial needs. If the Lord would lead you to help us furnish, equip, and maintain this office, we would be deeply grateful. Every gift helps us build a stronger foundation for the work God has entrusted to CORE Missions as we continue planting churches, training leaders, distributing Bibles, and reaching people with the Gospel throughout Latin America.

Thank you for standing with our family through your prayers and faithful partnership. We are continually reminded that none of this ministry would be possible without partners like you.
