Preach the word; be instant in season,

March 5, 2026

Dear Friends in Christ,

Joan needs your prayers. She has two cysts on her ovaries. She is scheduled for keyhole surgery on March 23, 2026. They are planning to keep her in overnight. She will need to take it easy for a few days after the operation

It has been more than two years since they removed the cancer from my bladder. Praise God, I remain cancer free. I should be having a CT scan in the near future.

Sadly, we have had a number of families, who came quite a distance, who have decided to find a church nearer to where they live. While we are sorry to see them go, we pray they will find a church home where they can grow and be used to be a blessing to others.

On a positive note, we do have a new family that lives just down the road from our building that have started coming. Sarah asked if she could clean the church each week. She is doing a great job. We thank God for her help.

Another lady, Sharon, has also been coming faithfully to our morning service. Once a month She goes with us to Rosemary Lodge Care home for an afternoon service.

Joan and I go to the home every Wednesday morning for a service with the residents.

An older couple, Mervin and Elva, had their house repossessed. Please pray that God will give them clear leading in the choices they make concerning their future.

Thank you so much for your continued prayers and support. We appreciate you all and need your prayers.

Yours in Christ,

Ed + Joan Bissett
