

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

January 2025 Update

Snow Much Going On!

For us, the month of January flew by! We celebrated JD's 2nd Birthday, JD had his first opportunity to experience snow, and we were blessed to visit several churches, district ladies meetings, and a mission rally. January was quite the month! We want to thank every church, ladies meeting, and the Lonoke Association for giving us opportunities to share about Arkansas State Missions.

Please Consider Giving to AR State Missions

The State Missions salary fund is experiencing a large deficit every month. Would you please pray about how you or your church could help with this matter? The salary fund is imperative in helping to keep our Missionaries on the field. We welcome special one-time offerings or monthly support. In the month of May, there will be a special May Missions Emphasis Offering that will be received to help offset the monthly deficits. The goal has been set at \$60,000!

Looking Ahead!

Our calendar for February is completely full but we are currently booking appointments for March and April. We are available to visit your church on Sunday mornings, Sunday evenings, Wednesday nights, or anytime you may be having a special event if it fits our schedule. If you would like me to come and speak at your church, missions rally, associational meeting, etc., please contact me at the information below.
