

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

March 2025 Update

March was a really good month! It began with us getting to visit my home church, Caney MBC in Bismarck, and it was so good to see many familiar faces. It was also a blessing to attend CABBI Chapel Day on Monday, March 3rd, while also being able to promote state missions. A great highlight for the month was speaking to and fellowshiping with the good folks of the First Union Association at their Mission Rally! A great association of churches that have a heart for mission work! Also during the month, we were able to get some rest and spend some time together as a family. After I preached at Calvary, our sending church on March 23rd, we were able to go to Branson and spend a few days for spring break, which was much needed! Please continue to pray for us as we travel the state promoting and advocating on behalf of our state missionaries.

May Missions Offering

As we approach the month of May, we want to continue to urge our churches to prayerfully consider taking an offering to go towards the May Missions goal. This year, we have set the goal at \$60,000, and we have faith that the churches will respond and we will exceed the goal! Because of the monthly deficits that the salary fund has been experiencing, the May Missions Offering goes a long way each year to help offset those deficits. Would you please prayerfully consider giving this year?

Looking Ahead!

We have just a couple of open dates in May and are now scheduling appointments for June and July. We are available to visit your church on Sunday mornings, Sunday evenings, Wednesday nights, or anytime you may be having a special event if it fits our schedule. If you would like me to come and speak at your church, missions rally, associational meeting, etc., please contact me at the information below.
