June 2025 Update

The summer started in a hurry for us during the month of June! It was great to kick off the month being a part of VBS at our sending church, Calvary MBC in Sheridan. Our son JD had a blast at his first VBS! The rest of the month was full of promoting State Missions at several churches and Mission Rallies! We want to say a special thank you to the churches that sent in their May Missions offering during the month of June! We are so close to reaching our \$60,000 goal, and we are continuing to pray that we will surpass our goal! Please continue to pray for us as we travel this great state to share about all the wonderful blessings that are taking place with our 4 State Mission works.

## May Missions Offering Update

As of this writing, we have received over \$49,000 for May Missions! All we can say is Thank You, Lord, for this great blessing, and say thank you to all the churches and individuals who have given generously to this special offering to help offset the recent deficits that have occurred in the State Missions Salary Fund! If you or your church would still like to give, there is still time to send offerings in which will help us get closer to the \$60,000 goal.

## Looking Ahead!

Our schedule for July is quite full. We are looking forward to assisting with the Summit 2025 outreach in Springdale, July 10<sup>th</sup>-13<sup>th</sup>, and attending several District Ladies meetings. As of this writing, we have the last Sunday in July open and a few dates in August available to visit churches on Sunday mornings, Sunday evenings, Wednesday nights, or other events. If you would like me to come and speak at your church, missions rally, associational meeting, etc., please contact me at the information below.
