

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

November 2025 Update

As the Thanksgiving season comes to a close, we must express our gratitude to God for His goodness, love, mercy, and protection as we complete our first year travelling the state to promote Arkansas State Missions. Over the last 12 months, the Lord's hand has been on us as we have travelled almost 11,000 miles to share about the wonderful mission work happening across this state. Highlights from the month of November include a wonderful state meeting where we were approved to continue serving in this role, blessed with the opportunity to present state missions with three churches, and to be in service with two of our state missionaries!

On Sunday evening, November 16th, we were able to join MidTown Church and State Missionary Bro. Will Diggs for their second Connect Group pop-up worship. A wonderful pavilion in a local park was the setting for heartfelt worship, a message from God's Word, and a soup potluck. Pray for MidTown Church as they continue to strive to hold one pop-up worship every month while continuing to hold connect group weekly.

Our Prayer Needs for State Missions

As a new associational year begins, please continue to remember our four state missionaries in your prayers. They have surrendered to God's call to plant churches and reach lost souls with the Gospel of Jesus Christ. Without their willingness to go, there would be no reason for us to go and advocate. The ministry of AR State Missions needs prayer, but also monthly financial support. We continue to run a monthly deficit of around \$5,700, so we continue to seek new monthly supporters, while asking current supporters to pray about raising their monthly support. How may the Lord be leading you or your local church to partner with us to see churches established in Arkansas?

Looking Ahead

Another year is almost over, which means it is time to turn our attention to 2026. With that in mind, we are now booking appointments for January, February, and March. If you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please contact me at the information listed below.
