

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

January 2026 Update

For us, January started fast and finished slow and cold as Arkansas dealt with the impact of winter storm Fern. Despite the last Sunday of the month being postponed due to the sleet and snow, we were still blessed to visit three churches, two ladies' meetings, and one mission rally. The January Lonoke Association Mission Rally was held at Galilee Mission, where State Missionary Bro. Jesus Gabriel serves. It was a blessing to be in attendance with the offering goal to help with the building expenses in Jacksonville. I was honored to be asked to preach a short message and give a report on Arkansas State Missions.

January Travels

Sun. January 4th

- A.M.: Harmony MBC Pine Bluff

Thurs. January 8th

- Friendship District Ladies @ Holly Springs MBC Star City

Sun. January 11th

- A.M.: Mt. Hope MBC Ratcliff

Tues. January 13th

- Central District Ladies @ Bethany MBC White Hall

Sun. January 18th

- A.M.: New Testament MBC Lonoke

Mon. January 19th

- Lonoke Assoc. Mission Rally @ Galilee Mission Jacksonville

We really don't care too much for cold weather, but the impact of the winter storm made us slow down and have extra time to spend as a family. JD was disappointed that he could not build a snowman, but we were still able to have some fun playing in the sleet and snow.

It was a joy to attend the Central District Ladies Meeting and give a short report on Tuesday, January 13th. This group of ladies loves the Lord and are dedicated to serving Him. They also love missions and missionaries, and I am so thankful for their recent offerings to Arkansas State Missions!

May Missions Offering

It is never too early to start promoting the May Missions Offering. Once again, the month of May has been set aside where we ask churches to prayerfully consider taking a special offering for Arkansas State Missions. Last year, the May Missions offering totaled \$53,926, and this year we have set the goal at \$60,000! The May Missions offering is instrumental in helping to offset the monthly deficits in the Missions Treasury. Would you begin praying now about how your church can help us to reach our May Missions goal this year?

Looking Ahead

Looking ahead, we are so thankful for every opportunity that has been extended to us so far in 2026 as we strive to visit at least one church every Sunday. As for February, only Sunday the 22nd is open, and if this Sunday would work for your church, please contact me ASAP. If you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please contact me at the information listed below.
