

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

April 2026 Update

What a blessed month April was. The month began by being able to be with our sending church to celebrate the resurrection of Jesus. Praise the Lord that our Savior lives! Throughout the month, we were able to share the work of state missions with 5 churches and 1 ladies' meeting, and assist and encourage two of our state missionaries as they held an outreach and a pop-up worship service. On the last Sunday of April, I was invited to share the work of state missions at North Fork in Paron while their pastor, Bro. Thad Allen was visiting a foreign missionary. We celebrate that during the invitation, a young lady accepted Christ at the altar. I am so thankful that the Lord still saves souls!

Looking Ahead

Looking ahead, we are so thankful for every opportunity that continues to be extended to us in 2026 as we strive to visit at least one church every Sunday. On Sunday, May 3rd, we will join Summit Springdale as they break ground on their building. As for the month of June, the first and last Sunday mornings of the month are available. If you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please contact me.

May Missions Offering

The month of May has arrived, which means it's May Missions month! Throughout the month, we will be highlighting our 4 state missionaries, and we are again asking churches to prayerfully consider taking a special offering to go towards the State Missions salary fund. Our monthly payroll is \$24,000, but our current monthly offerings fluctuate between \$19,000 to \$21,000 each month. To address this shortfall, we have set the May Missions goal at \$60,000. Please join us in praying that the Lord will lead His churches to give, and we will eclipse the goal this year. Individual or church offerings towards the May Missions goal can be sent to Arkansas State Missions, P.O. Box 592, Trumann, AR 72472.
