May 2026 Update

May Missions Month 2026 has been a tremendous blessing! May Missions has typically been a time to ask churches to give a special offering, but it is also a time to highlight our state missionaries who are faithfully planting churches. What better way to start the month than by having a groundbreaking for the future worship facility of one of our state mission works! Also in May, I was asked to speak at the Missions Day event at Star City Christian Academy. Since the more narrow focus of the program was on international missions, Bro. Alejandro Moreno was able to go with me and share about his experiences as a missionary in Mexico, while I spoke on the importance of supporting and being involved in Missions. Please continue to pray for us as we travel to update churches on the work of Arkansas State Missions.

## May Missions Offering Update

As the month of May comes to a close, we want to celebrate that over \$32,000 has been received for the May Mission goal! Many churches have indicated that their offering will not be sent until June, so, Lord willing, that number will grow towards our goal of \$60,000. If you or your church have not sent an offering, it is not too late, as Bro. Gary Williams, State Treasurer, will not close the books on this offering until sometime in July. Individual or church offerings towards the May Missions goal can be sent to Arkansas State Missions, P.O. Box 592, Trumann, AR 72472.

On Sunday, May 3<sup>rd</sup> it was a joy to be present as Summit Springdale and State Missionary Micah Deaton broke ground on the building the Lord has led them to build. It was a day of celebration for what the Lord has already done in Springdale and what the Lord will do in the coming years. Please pray that the project will be completed on-time and there will be no issues along the way.

## Looking Ahead

Looking ahead, our travels for the month of June will be on the lighter side as Mary Grace and I will be welcoming our second child. We will have a booth at the ABA meeting in Hot Springs, so if you are in attendance, come by and visit with our state missionaries. If you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please contact me as we are now booking appointments for late July and August.

I'm so thankful for the Kingdom impact these two men have had in NWA! Bro. Jeremy Flanagan (right) served as a state missionary when he planted Pathway in Fayetteville and now serves as chairman of the state missionary committee. Bro. Micah Deaton (center) is doing great work planting Summit in Springdale and leading the people the Lord has entrusted to him into this building project.
