

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

June 2026 Update

The month of June was very exciting in more ways than one! On a personal note, Mary Grace and I welcomed our second child, a daughter named Tyleigh Grace Freeman. Regarding Arkansas State Missions, we received the exciting news that many churches across the state helped to give over \$60,000 for the May Missions offering. For this, we want to say a big thank you to every church and individual who gave towards this special offering! In addition to this exciting news, we had a State Missions booth at the ABA meeting in Hot Springs, where each state missionary and I were able to display information and have many great conversations about mission work happening across the state. While our travels were lower due to welcoming our daughter, June was a really blessed month!

Looking Ahead

Looking ahead, after a lighter month in June, July will be very full, as we plan to visit 4 churches, 2 ladies' meetings, and assist with the Summit 2026 outreach in Springdale. As of this writing, we have several openings in the months of August and September; therefore, if you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please get in touch with me at the information below.

May Missions Offering Update

We are excited to announce that we have reached our May Missions goal of \$60,000! We praise the Lord for the great giving of His churches, so that the Gospel can continue to be advanced across this great state. Even though we have reached our \$60,000 goal, if you or your church has an offering that has yet to be sent in, it is not too late to send it, as Bro. Gary Williams, State Treasurer, will not close the books on this offering until sometime in July. Individual or church offerings towards the May Missions goal can be sent to Arkansas State Missions, P.O. Box 592, Trumann, AR 72472.
