A NIGHT OF HOPE

Christmas is a season filled with lights, music, and celebration, but at its heart is a message the world still desperately needs:

Hope has come, and His name is Jesus.

This December, Calvary Baptist Church invites you and your family to experience the story of Jesus' birth through a brand-new presentation called *A Night of Hope*.

The wonder of Christmas will come to life before your very eyes through an original experience featuring dramatic storytelling, breathtaking visuals, and custom music, each written and produced specifically for Calvary. A live orchestra, stunning scenery, and a cast and crew of more than 400 people will help portray the journey to Bethlehem and the manger, highlighted by our beloved Living Nativity—including elements like majestic kings, camels, and flying angels!

For 90 unforgettable minutes, the story that changed the world will come alive on stage, reminding us that the birth of Jesus brought hope for every person in every generation.

A Night of Hope will take place December 17-20, and we would love for you to be part of it. We are now looking for volunteers to help bring this presentation to life. If you are interested, please scan the code or visit our website to view serving opportunities and sign up.

MIDDLE SCHOOL MISSION ARLINGTON

Our middle school students (grades 6-8) recently had the opportunity to serve at Mission Arlington in Texas, and what they accomplished was incredible.

Mission Arlington is a faith-based nonprofit that serves people in need by providing free help like food, clothing, financial assistance, and spiritual support to meet physical and spiritual needs in the community.

Our students worked hard behind the scenes preparing for an Easter outreach by loading and unloading trucks, setting up hundreds of chairs, organizing supplies, and helping prepare over 90,000 eggs for kids to hunt. They also installed fencing for the family activities with hands-on, physically demanding work.

Beyond the preparation, students built meaningful connections in a local apartment community. They went door to door, spent time with children, and shared the Gospel, often overcoming language barriers with joy and care. Even through long days and exhaustion, they chose to serve with enthusiasm and compassion.

This kind of impact is only possible because of a church that supports and invests in the next generation. From leaders to volunteers to those who prayed and gave, it took all of us to make this trip happen.

We're incredibly proud of these students, not just for what they did, but for how they live out their faith.
