

First Methodist Church Costa Rica Mission Projects 5K and 1 Mile Fun Run at the Fort

Greetings Friends!

In July we will be returning with a team made up of youth and adults to Costa Rica. We have been in partnership with missionary Wil Bailey and his organization, Costa Rica Mission Projects since 2011; and, Wil brought his staff to Carteret County in 2019 to help us rebuild following Hurricane Florence. We have enjoyed our partnership with CRMP over these last 14 years! Through our partnership with CRMP, we have worked to build churches, Christian education buildings, parsonages and more. We have also financially supported CRMP's full time childcare program for children living in poverty, provided food for children during school hours, helped Wil to create a mental health counseling program for women and families, provided safe housing for female college students, and worked to spread the gospel alongside the Costa Rica Evangelical Methodist Church.

We are currently looking for corporate and individual sponsors, as well as runners! Our 5K and 1 Mile Fun Run are both meant to be family friendly events! Our events are not officially timed and participants are welcome to run or walk. Pets and children are both welcome!

We hope that you will consider supporting our mission this year. We rely on support from our community to keep up this partnership!

We have enclosed the forms to sponsor and/or run along with a return envelope for your convenience. If you have any questions, please feel free to contact Pastor Sarah Williams at swilliams@firstmethodist.life or by calling the church office at 252-726-7102.

In Christ,
The FMC Costa Rica Mission Team 2025
