A NOTE FROM PASTOR KEN

It does not matter if you have school-aged children or grandchildren in your family to determine when the new school year is getting ready to start. All you need to do is visit your local Wal-Mart! Wal-Mart is your seasonal calendar to know what next holiday is coming and when school is getting ready to roll! Pens, pencils, paper, notebooks, erasers, and a myriad of other school supplies make their way to the front of the store, and at cheaper than usual prices, it's hard to just walk by.

Seeing school supplies causes me to reflect on my days as a student, and I am reminded that I desire to be a lifelong learner. Particularly, I desire to continue learning and growing in my walk with Christ! Because the Word of God is living and active, I know that the primary way I learn more about Him is spending time studying the Scriptures. One of our four key values at FBCG is that we value Biblical Truth. This means that preaching in our worship services, teaching in our Life Groups, discussions in our Wednesday night discipleship classes, and conversations in our Grow Groups are centered on the Bible.

We will resume our Wednesday night activities on August 19th, including our fellowship meal, and a full listing of all classes available will be shared in a separate handout soon. Additionally, I am hopeful of starting new Grow Groups that meet throughout the week. These smaller Grow Groups of men meeting with men and women meeting with women are great sources of encouragement and connection in Christ as groups journey through Scripture together.

If you are not currently connected in a Life Group that meets on Sunday morning or a Grow Group that meets during the week, please contact me. I am here to help get you plugged in to Christ-centered community, as you grow and learn in Him!

Onward and upward for Jesus.
