

MAKING ROOM FOR THE NOW AND THE NEXT

# A SEAT AT THE TABLE

A Seat at the Table is a three-year generosity initiative to make room for the now and the next at Silver Creek Church. Through this vision, we are expanding our physical space so more people can encounter Jesus, experience authentic community, and find a place where they belong. This initiative is not ultimately about buildings, but about people. It's about creating space for the next generation, strengthening relationships, and positioning our church to reach neighbors and future generations with the gospel.

SILVER CREEK CHURCH

## WHY NOW

Over the last four years, our church has doubled in size, and in the past year alone we've baptized 87 people. God is certainly drawing people to Himself through Silver Creek Church. Kids are meeting Jesus, students are discovering their identity in Christ, families are finding community, and neighbors are coming to faith.

**Simply put: We are running out of seats at the table.**

We don't believe God is calling us to put up a "No Vacancy" sign. We believe He is inviting us to make room.

## WHAT WE'RE BUILDING

This project is not about concrete and steel; it's about people. Making room means:

### More space for the next generation

Expanded kids and student environments where young hearts can meet Jesus (72% of Christians come to faith before age 18).

### More seats for worship

A larger worship center that accommodates our growing church family.

### More room for real community

Places for meals, conversations, and strengthening community.

### More parking and better flow

Removing barriers that keep people from coming.

### More functional office space

Supporting our growing team and future leaders.

### A building active all week

Indoor play, free local coffee, remote work space, and counseling offices, serving our community beyond Sundays.

**We are building a home for the family God is growing.**

## THE INVITATION

Jesus taught that what God entrusts to us is meant to be invested, not buried. God has entrusted Silver Creek Church with visible growth, real stories of life change, and a moment that calls for faithful action. This is our moment to respond in faith.

### OUR GOALS:

#### 100% ENGAGEMENT

Every person praying and asking God how He wants us to respond to the challenge before us.

#### \$3.5 MILLION RAISED

Giving sacrificially above regular giving to move this vision forward.

IT'S NOT ABOUT THE SIZE OF THE GIFT BUT THE HEART OF THE GIVER.

## WHY IT MATTERS

It's about investing in the next generation, cultivating lasting relationships, and living out our mission: for the family, for the neighborhood, and for the world.
