

## Mt. Zion Baptist Church Prayer List ~ June 17, 2026

*Dr. Addis Moore, Senior Pastor*

Never underestimate the power of your prayers and the privilege of interceding for someone else. When we pray for others, we become vessels through which God's power releases comfort, strength, healing, peace, and hope. Prayer is not a small act—it is Kingdom work, it demonstrates Radical Hospitality, our Passionate Worship to God and develops our faith. Every name on our sick list represents someone who may be weary, afraid, or in need of encouragement, and our prayers remind them they are not forgotten by God. As believers rooted in Christ, we have the blessed opportunity to stand in the gap for one another and carry each other before the throne of grace.
