

Dear Friends and Family,

March 2026

Babies and weddings! Oh, my!

It has been an exciting beginning to the new year! Krista and Matt's beautiful little girl was born in February! Her name is Saige. I am a very proud grandfather. Our family, and most of our extended family, were able to meet her at Risha's wedding.

Yes! Risha and Jordan had their wedding March 6th and are currently on their honeymoon. We are very excited to have Jordan as part of our family. Please remember to pray for them as they will be raising support to plant a new church in Pittsburgh, Pennsylvania. I encourage you to partner with them in prayer and financially

Less than two months until Kerri and I get married! WOW! Time is moving so fast. Kerri and I wish we could invite everyone to our wedding. It has been fun considering who we wanted to invite and then hard to cut it down to the small number that we can actually have at the wedding. We are just now sending out our invitations.

Since we can't invite everyone to be there in person, please consider this as your personal invitation to join us online. May 2nd at 11:00am.

We also have our wedding registry at Amazon and Walmart. Felt kind of funny having a registry for us at our age, but we both essentially left all of our stuff behind in Peru and Uganda.

We are so thankful for your faithful prayers and support! You are a blessing to us!
